## **ASSIGNMENT**

WHEREAS, I, Nissaf Ketari (hereinafter "Assignor") have invented: "PROXIMITY ACCESS AND ALARM APPARATUS (hereinafter "invention"), described in U.S. Patent Number 8,750,797, issued June 10, 2014,

WHEREAS, Mourad Ben Ayed (hereinafter "Assignee"), is desirous of acquiring exclusive rights to said invention throughout the world, including the right to file for patent protection and to own any patents issued therefrom.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, wherein the receipt of such consideration by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by this document does confirm the sale, assignment and transfer to the Assignee of the entire right, title and interest for the invention and the patent identified above, including any other patents that may issue for said invention in the United States or elsewhere; together with the entire right, title and interest in and to said invention and all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of said patent applications and patents covering said invention; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor:

will assist the Assignee in the making and prosecution of any other patent applications in the United States and/or in any countries around the world that the Assignee may elect to make covering the invention, and in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent;

will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment; and provide all reasonable aid and assistance required to enforce and defend any patents issued, subject to reasonable payments from the Assignee for time spent, other than as a witness under oath.

The United States Patent and Trademark Office and its officials, and all Patent Offices anywhere in the world, are hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor, by its signature below acknowledges that it has read, understood and agreed to the foregoing:
