ASSIGNMENT

For good and valuable consideration in hand paid, the receipt and sufficiency thereof are hereby acknowledged, the undersigned hereby assigns to Smith's Consumer Products, Inc., a corporation of the State of Delaware, with a place of business at 747 Mid America Blvd, Hot Springs, AR 71913-8414, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned for the inventions disclosed in non-provisional applications, **serial no.29/518,379** filed in the U. S. Patent and Trademark Office on February 23, 2015 and, **serial no.29/518,384** filed in the U. S. Patent and Trademark Office on February 23, 2015 and any and all other applications, both United States and foreign, including European design registrations, in Canada, and in Australia, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on said applications, and in any reissue or extension of such patents.

The undersigned warrant themselves to be owners of the entire right, title and interest in said inventions or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all non-provisional applications under 37 CFR § 1.53(b) for the invention and any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said non-provisional application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said consideration the undersigned further agree, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain said Letters Patents, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patents will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
