ASSIGNMENT

WHEREAS, I, the undersigned, Mark W. Wyne, a citizen of the United States and residing in the City of Chesterfield, County of St. Louis and State of Missouri, and having an address at 18451 Centaur Road, Chesterfield, Missouri 63005, at the time of the invention was an employee of Combined Manufacturing, Inc., a Missouri corporation, having a place of business located at 18451 Centaur Road, Chesterfield, Missouri 63005, and I understand and acknowledge that I enjoy such employment, in part, because of my potential capacity to invent, and that one of my duties as such an employee is to endeavor to make invention and improvements upon the same for the benefit of my employer, and that a condition of said employment is that all patent rights appertaining to any invention by me, in the course of my employment, to be assigned by me unto the said Combined Manufacturing, Inc., without any additional charge whatsoever in addition to my salary;

AND WHEREAS, in the course of said employment, I, the undersigned, Mark W. Wyne, am the inventor having invented certain improvements in

NOZZLE ADAPTOR

for which application was made to obtain letters patent of the United States.

NOW, THEREFORE, know all men by these presents that in compliance with the duties and obligations inherent in my aforesaid agreement, and in further consideration of a bonus of One Dollar (\$1.00) in hand paid by Combined Manufacturing, Inc., (receipt whereof by me is hereby acknowledged) I, said Mark W. Wyne, do hereby formally assign, transfer, and set over unto said Combined Manufacturing, Inc., a corporation, its successors and assigns, all right, title, and interest in and to the aforesaid invention and patent application upon Nozzle Adaptor as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to fully effectuate this agreement.

AND, I further grant to Combined Manufacturing, Inc., its successors and assigns, the right to claim for any application for said invention the full benefit of

any international agreement between the United States and any foreign country or countries.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent, when granted, to the said its successors and assigns, as assignee of the entire right, title, and interest in and to the said invention, for the sole use and behoof of said Combined Manufacturing Inc., corporation, for its successors and assigns, to the full ends of the terms for which Letters Patent may be granted.
