Assignment

WHEREAS,

Liam Clear, of London, United Kingdom;

hereafter referred to as the "Assignor(s)", have invented a certain new and useful Invention entitled:

REINFORCED MASONRY PANEL STRUCTURES

for which an Application for a United States Patent was filed on January 30, 2009 and assigned U.S. Patent Application Number 12/309,795;

WHEREAS, Wembley Innovation Limited, an English company having a mailing address of 53A Mount Pleasant Road, London NW10 3EH, United Kingdom ("Wembley"), is desirous of acquiring the Assignors' entire right, title, and interest in and to said Invention, and in and to said Application, inclusive of any and all priority rights derived therefrom, and in and to all Letters Patent, both U.S. and foreign, which may be granted for said Invention;

NOW, THEREFORE, for the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors do hereby sell, assign, transfer, and set over unto Wembley, its successors and assigns, Assignors' entire right, title, and interest in and to said Invention, and in and to said Application, inclusive of any and all priority rights derived therefrom, and in and to all Letters Patent and any reissues or extensions thereof which may be granted upon said Application or upon any substitutes, divisions, or continuations of said Application, and in and to all Letters Patent and the like which may be granted upon any application filed in the United States or a foreign country which is based upon or claims priority from said Application or upon any substitutes, divisions, or continuations of said Application, and in and to all Letters Patent or the like, both U.S. and foreign, which may be granted for said Invention, the same to be held and enjoyed by Wembley for its own use and behoof, and for the use and behoof of its successors and assigns, to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors had this assignment and sale not been made;

AND, the Assignors hereby agree to execute, upon request, any and all further papers which may be necessary or desirable to enable Wembley, its successors and assigns, to file and prosecute said Application and any substitutes, divisions, or continuations thereof, to file and prosecute any reissues and extensions of the Letters Patent granted upon said Application or upon any substitutes, divisions, or continuations thereof, and to file and prosecute any and all United States and foreign applications for Letters Patent or the like which are based upon or claim priority from said Application or any substitutes, divisions, or continuations thereof; and the Assignors further agree to execute any and all further papers which may be necessary or desirable to vest or perfect the title of Wembley, its successors and assigns, in and to said Invention, said Application, and any and all of the applications and Letters Patent, both U.S. and foreign, recited above;

AND, the Assignors hereby authorize Wembley to fill in the filing date and the U.S. Patent Application Serial Number, when they become known, in the blank spaces provided above;

AND, the Assignors hereby authorize and request the COMMISSIONER OF PATENTS to issue each and every Letters Patent to be granted upon said Application, and upon and any and all of the

applications for Letters Patent, both U.S. and foreign, recited above, to Wembley, its successors and assigns, as the assignee of the entire right, title, and interest therein, in accordance with this Assignment.

WITNESS my hand at HARROW, UK, United Kingdom this 3rd day of August 2015.

Liam Clear

On this 3rd day of August, 2015, before me personally appeared Liam Clear, to me known to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same.
