ASSIGNMENT FOR PATENT APPLICATIONS

WHEREAS, We, Jose Thomas, residing at 12961 Quail Court, Rancho Cucamonga, California, and David Max Dutton, residing at 10 West 22nd Street, La Junta, Colorado (hereinafter referred to as "Assignors"), respectively, have invented certain improvements listed in Exhibit A (collectively, "Invention"); and

WHEREAS, Tat-Tech, Inc., a U.S. company with a place of business at 2216 San Juan Avenue, La Junta, Colorado, as Assignee, is desirous of acquiring all right, title and interest in and to said Invention and any Patents that may be granted therefor.

NOW, THEREFORE, in consideration of Ten U.S. Dollars (USD\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, We, as Assignors, hereby sell, assign and set over to said Assignee the entire right, title and interest for the United States and all other countries in and to said Invention and the aforesaid applications for Patent, all original, divisional, continuation, national/regional stage, substitute or reissue applications and patents applied for or granted therefor in the United States and all other countries, all rights under any applicable international conventions and treaties (e.g., the International Convention for the Protection of Industrial Property), including all rights of priority from the filing of said applications and all goodwill associated therewith, and all rights for past infringement, and the U.S. Commissioner of Patents and Trademarks and relevant foreign patent offices are hereby authorized and requested to issue all patents on said Invention or resulting therefrom to said Assignee herein, as Assignee of the entire interest therein; and the Assignors, for themselves and their respective legal representatives, heirs and assigns do hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, regional/national stage, substitute, reissue and other applications for Patent on said Invention and all assignments thereof to said Assignee, its successors, or its assigns, to communicate to said Assignee, its successors, its assigns, or its representatives all facts known to the Assignors respecting said Invention, whenever requested, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths, and to do generally everything necessary to assist Assignee and its respective successors, assigns and nominees to obtain patent protection for said Invention in the United States and all other countries, the expenses incident to said applications to be borne and paid by said Assignee.

The Effective Date of this Assignment is August 18, 2015.
