ASSIGNMENT OF PATENT APPLICATION BY INVENTOR

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, Stephen J. Ezell of Traverse City, Michigan, do hereby assign, sell and transfer to Selestial Soap, LLC, a company organized and existing under the laws of the State of Michigan and having a registered office address at 1630 Linden Ave., Traverse City, Michigan, 49686, hereinafter referred to as ASSIGNEE, and to its successors, assigns or other legal representatives, my entire right, title and interest, domestic and foreign, in and to: the inventions and discoveries in the patent application entitled "Liquid Laundry Detergent Refill System And Method" (Attorney Docket No. SELE-001-A, hereafter "Application"); the above Application; all Patents to be obtained for said inventions and discoveries by the above Application or by any continuation, continuation-in-part, division, renewal, substitute or extension thereof; all Patents obtained on any reissue or re-examination thereof; and, all rights to make applications and receive Patents (and their equivalents) for said inventions and discoveries in any and all foreign countries in its own name, or in my name, at its election.

I hereby also assign, sell and transfer to ASSIGNEE, its successors, assigns or other legal representatives, all rights of priority in and to said inventions and discoveries in all countries and all rights to revenues associated with commercialization of said inventions and discoveries in all countries during the pendency of the above Application and of any related applications and during the term of any Patent(s) based thereon or deriving priority therefrom. This includes the right to sue third parties for patent infringement, including but not limited to damages accruing from activities occurring before and after the execution date hereof.

I hereby agree for myself, and for my heirs, successors, assigns or other legal representatives, to execute any and all papers, including applications for Patents of any and all kinds in any and all countries, and to perform any and all acts which said ASSIGNEE, its successors, assigns or other legal representatives may deem necessary to secure thereto the rights herein assigned, sold and transferred.

I hereby represent and warrant that I have not granted or retained (and will not in the future grant) any rights inconsistent with the rights granted herein. And I authorize ASSIGNEE by and through its attorneys to enter the Application No. and filing date of the Application in the spaces below * after the execution date of this assignment, for the purpose of recording the assignment with the U.S. Patent and Trademark Office.
