## ASSIGNMENT

WHEREAS, I, one of the undersigned inventors, Elder **DOS SANTOS** a citizen of France; Mickaël **DESTOUCHES** a citizen of France, Florian **GALDO** a citizen of France, Jean-Philippe **VALLIERES** a citizen of Canada, Grégoire **GODEL** a citizen of France

have invented certain new and useful improvements in and to the subject matter of: A METHOD OF SETTING UP A COMMUNICATION SESSION VIA AN SWP INTERFACE

described in an application for United States Letters Patent filed on **JULY 14, 2015**, and accorded U.S. Application No. **14/798,622** (and also described in French patent application no. **1456791** filed on **July 15, 2014**);

AND, WHEREAS, **OBERTHUR TECHNOLOGIES**, a company having a place of business located at **420 rue d'Estienne d'Orves – 92700 COLOMBES, France** (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the improvements and under the application;

NOW, THEREFORE, in consideration of good and valuable consideration, receipt of which is hereby acknowledged, I have sold, assigned and transferred, and do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, my entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said improvements, said United States application, said French application, any other United States applications, including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on said United States application or in whole or in part on said improvements, any foreign applications, including international and regional applications, including the right to claim priority to any of the aforementioned applications and the right to file applications and obtain patents under the terms of the International Convention of Paris (1883) as amended, and of the European Patent Convention, based in whole or in part on any of the aforesaid applications or in whole or in part on said improvements, and in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted on any of the aforesaid applications or on said improvements or any parts thereof;

AND I hereby authorize and request my agents, MH2 Technology Law Group, whose address is 1951 Kidwell Drive, Suite 550, Tysons Corner, VA 22182, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said U.S. application when known.

AND I hereby agree for myself and my heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said improvements or any parts thereof, and in and to said several patents or any of them;

AND I hereby covenant for myself and my legal representatives, and agree with said ASSIGNEE, its successors and assigns, that I have granted no right or license to make, use, sell or offer to sell said improvements, to anyone except said ASSIGNEE, that prior to the execution of this deed, my right, title and interest in said improvements had not been otherwise encumbered, and that I have not and will not execute any instrument in conflict therewith;

AND I do hereby authorize and request the Director of the United States Patent and Trademark Office to issue any and all letters patent which may be granted upon said United States applications, or upon said improvements or any parts thereof when granted, to said ASSIGNEE;

IN TESTIMONY WHEREOF, the undersigned have hereunto set their hands and seals.
