ASSIGNMENT

WHEREAS, We, Scott Kimmel ("Assignor"), of 1975 Skillman Avenue W., Roseville, MN 55113; and Douglas A. Page ("Assignor"), of 248 Cimmaron Road, Apple Valley, MN 55124, United States of America have invented and own a certain invention entitled **"MRI COMPATIBLE CONTROL HANDLE FOR STEERABLE SHEATH WITH AUDIBLE, TACTILE AND/OR VISUAL MEANS"** for which an application has been made for Letters Patent of the United States, said application which may be identified in the United States Patent and Trademark Office by **Serial No.: 14/844,698**, filed **September 3, 2015**, (the "Application"); and

WHEREAS, Imricor Medical Systems, Inc. ("Assignee"), a corporation organized and existing under the laws of the state of Delaware, and having its principal offices at 400 Gateway Boulevard, Burnsville, MN 55337, United States of America, is desirous of acquiring the entire right, title and interest in and to said invention, said Application and in, to and under any and all Letters Patent to be obtained therefor.

NOW, THEREFORE, for good and valuable consideration to us in hand paid by said Assignee, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, our entire right, title and interest in and to said invention, said Application and the Letters Patent, both foreign and domestic, that may or shall issue on any application claiming priority to the Application, including all of our rights under the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties, and we do hereby authorize and request the Director of the United States Patents and Trademark Office to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

We hereby authorize said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties.

Assignors authorize and request the Director of Patents and Trademarks to record Assignee as the owner of the Patents, including any divisions, reissues, reexaminations, extensions, continuations, continuations in part, and any application claiming priority therefrom and to issue any and all Letters Patent of the United States to Assignee, as assignee of the entirety of Assignor's right, title and interest in and to for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

Upon said consideration, we do hereby covenant and agree with the said Assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and

all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

IN WITNESS WHEREOF, Assignors have caused this assignment to be duly executed as of the date and the year set forth herein.
