ASSIGNMENT

THIS ASSIGNMENT, made by me, Peter Piferi, a citizen of the United States of America, residing in Orange, CA;

WITNESSETH: That,

WHEREAS, I am the sole inventor of certain new and useful improvements in **MRI-COMPATIBLE SURGICAL CANNULAE FOR TRANSFERRING A SUBSTANCE TO AND/OR FROM A PATIENT** for which a U.S. Utility Patent Application No. 14/850,186 was filed on September 10, 2015 in the United States Patent and Trademark Office; and

WHEREAS, MRI Interventions, Inc., a Delaware corporation having a principal place of business at 5 Musick, Irvine, California, 92618, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have sold and by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, my entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

I hereby request that said Letters Patent be issued in accordance with this assignment.

I further covenant and agree to communicate to said Assignee or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further

compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and I hereby instruct, and further covenant and agree to bind my heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hands and seal on this 15TH day of SEPTEMBER, 2015.

 (SEAL)

Peter Piferi
