## ASSIGNMENT OF INTELLECTUAL PROPERTY

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY (this "Assignment") is made as of September 30, 2014 (the "Effective Date"), by and between EGC Enterprises, Inc. (the "Assignor") and EGC Operating Company LLC (the "Assignee"), and is being executed pursuant to an Asset Purchase Agreement dated as of September 30, 2014, by and among the Assignee, the Assignor, Bernard L. Casamento, Robert B. Rutherford, and William M. Lockhart (the "Purchase Agreement").

### Recitals

Assignee and Assignor are parties to that certain Asset Purchase Agreement dated as of September 30, 2014, by and among the Assignee, the Assignor, Bernard L. Casamento, Robert B. Rutherford, and William M. Lockhart (the "Purchase Agreement"), whereby Assignor has consented to assign certain contributed assets to Assignee; and

Pursuant to the Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all of the Intellectual Property (as defined in the Purchase Agreement) owned by Assignor (the "Assigned Intellectual Property") including, without limitation, the Intellectual Property set forth on Schedule A attached hereto.

### Agreement

In consideration of the premises and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee its entire right, title and interest in and to the Assigned Intellectual Property for the United States and all foreign countries, including, without limitation, any continuations, divisions, continuations-in-part, reissues, reexaminations, extensions or foreign equivalents thereof, and including the subject matter of all claims that may be obtained therefrom, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties, damages or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Assigned Intellectual Property, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks, the United States Copyright Office, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as assignee and owner of the Assigned Intellectual Property.

In addition to the applicable representations and warranties provided in the Agreement, Assignor represents and warrants that: (i) it has the full right and authority to execute this

Assignment and to assign to Assignee the rights assigned herein; and (ii) has not executed, and will not, execute any agreement or other instrument in conflict herewith.

Assignor shall, at Assignee's expense, take all further actions, and provide to Assignee, Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, exhibits, assignments, powers of attorney or other documentation), reasonably requested by Assignee to more fully and effectively effectuate the purposes of this Assignment, including, without limitation with respect to (1) the preparation and prosecution of any applications relating to the rights assigned herein; (2) the prosecution or defense of any interference, opposition, reexamination, reissue, infringement, or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the Assigned Intellectual Property or this Assignment; (3) obtaining any additional patent protection relating to the rights assigned herein that Assignee may deem appropriate which may be secured under the laws now or hereafter in effect in the United States or any foreign country; and (4) the implementation or perfection of this Agreement in all applicable jurisdictions throughout the world.

As of the Effective Date, all licenses, rights of use, and other agreements by and among Assignor and Assignee, whether or not in writing, relating to the license or use of the Assigned Intellectual Property are hereby terminated and canceled, and all rights, interests, obligations, and duties thereof of Assignor and Assignee are expressly terminated in full.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by its duly authorized representative as of the Effective Date.
