PATENT ASSIGNMENT

U.S. Application Serial Number 14/496,289;
U.S. Application Filing Date September 25, 2014;
Inventorship:..... Gary R. Spexarth, Richard Allan Myers, Kyle William Gebhardt,
..... Jorge Ramon Mesa, Alexander Robert Voss and James Devern McCallister;
Title Rapid Release Emergency Disconnect System Utilizing A Radial Clamp Connector;
Attorney Docket No 16946.954US03.

The PARTIES TO THIS ASSIGNMENT include: Assignors, Gary R. Spexarth, Richard Allan Myers, Kyle William Gebhardt, and Jorge Ramon Mesa, all of Houston, Texas; and Alexander Robert Voss of Cypress, Texas, and James Devern McCallister of Mendenhall, Louisiana; and

Assignee: **Oceaneering International, Inc.** located at 11911 FM 529, Houston, Texas 77041.

WHEREAS, Assignors are the owners of certain new and useful inventions and/or improvements claimed and described in an application for Letters Patent of the United States entitled “**Rapid Release Emergency Disconnect System Utilizing A Radial Clamp Connector**”, as referenced above;

AND WHEREAS, Assignee, a corporation organized and existing under and by virtue of the laws of the state of Delaware, and having an office and place of business indicated above, is desirous of acquiring the entire right, title and interest in and to said inventions and improvements and in and to the applications, and in and to any letters patent to be obtained therefrom;

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto said Assignee, its successors or assigns, the entire right, title, and interest in and to said inventions and improvements, said applications, and any and all letters patent which may be granted for said invention and improvements in all countries of the world, and in any and all divisions, reissues and continuations thereof, including the right to file applications in all countries of the world directly in the name of Assignee and to claim priority rights deriving from said applications to which any international applications are entitled by virtue of international convention, treaty or otherwise, said inventions and improvements, applications and all letters patent on said invention and improvements to be held and enjoyed by Assignee and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignors had this assignment, transfer and sale not been made. Assignors hereby authorize and request the various Commissioners of Patents to issue all letters patent on said invention to Assignee;

AND, for the consideration aforesaid, Assignors do hereby agree that they and their executors and legal representatives will make, execute, and deliver any and all other instruments and documents in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to Assignors relating to said inventions and improvements and the history thereof and will testify or provide testimony in all legal proceedings and generally do all things which may be necessary or desirable to more effectually secure and vest in said Assignee, its successors or assignees the entire right, title and interest in and to the improvements, inventions, applications, letters patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be;

AND, furthermore, Assignors covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Assignors and that full right to convey the same as herein expressed is possessed by the Assignors.
