Assignor hereby requests the Commissioner of Patents of the United States to record this assignment of all right, title and interest in the Patent to Assignee.
2. **Payment.** In consideration of the assignment of the Patent pursuant to this Agreement, and of the promises and covenants contained herein, Assignee shall pay to Assignor a fee in the amount \$10.00, payable upon execution of this Agreement.

4. **Patent Status.** Assignee hereby acknowledges that any finding or ruling subsequent to the date of this Agreement that the Patent is invalid or unenforceable shall not give rise to a cause of action against Assignor under this Agreement, unless Assignor has committed fraud in executing this Agreement.

5. **Further Actions.** Assignor hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting its interest in the Patent and in enforcing any and all protections or privileges deriving from the Patent.

6. **Governing Law.** This Agreement shall be construed in accordance with, and governed in all respects by, the laws of the State of Illinois, without regard to conflicts of law principles

7. **Counterparts.** This Agreement may be executed in several counterparts, each of which shall constitute an original and all of which, when taken together, shall

9. **Headings.** The headings for section herein are for convenience only and shall not affect the meaning of the provisions of this Agreement.
  
10. **Entire Agreement.** This Agreement constitutes the entire agreement between Assignor and Assignee and supersedes any prior understanding or representation of any kind preceding the date of this Agreement.
