ASSIGNMENT

The undersigned (hereinafter "Assignor") hereby confirms that, for good and valuable consideration, Assignor had, no later than February 8, 2012

1. Sold, assigned and transferred to Ragner Technology Corporation ("Assignee") the entire right, title and interest in and to patent application 14/262,108 (the "Application"), any inventions disclosed therein and any other applications to which the Application claims priority benefit, including but not limited to related provisional applications, any other patent applications based in whole or in part upon the Application in any country (including divisional, renewal, substitute, continuation, and continuation-in-part applications), and all patents which may be or may have been granted thereon (including all reissues, reexaminations, and extensions thereof);

2. Authorized Assignee to file patent applications on any invention disclosed or claimed in the Application (the "Inventions") in any country in the name of Assignee, or otherwise as Assignee may deem advisable;

Further, to the extent that Assignor retains any right, title or interest in the Application or the Inventions, the Assignor, for good and valuable consideration, receipt and adequacy of which is acknowledged, hereby sells, assigns and transfers that right, title or interest to Ragner Technology Corporation, a corporation organized under the laws of the State of Florida, with offices located at 13460 NW 7th Rd., Newberry, FL 32669.
