Assignor: Jean-Philippe Gros having an address at **10, Route de Lyon, Le Fontanil Cornillon, 38120, France;**

Assignor: Sébastien Brulais having an address at **1, Avenue Elise Grappe, Saint-Martin D'Hères, 38400 France;**

Assignor: Ghislain Despesse having an address at **4, Rue Corot, Grenoble, 38100 France;**

Assignee: Commissariat à L'énergie Atomique et aux énergies Alternatives having an address at **Batiment Le Ponant D-25 Rue Leblanc 75015 Paris France**

This assignment relates to the following patent application:

[X] a United States patent application filed in the U.S. Patent and Trademark Office on **December 9, 2014**, Serial No. **14/564939** entitled **DYNAMOMETRIC CYCLE PEDAL**, which claims priority to French Patent Application No. **FR 13/62326**, filed **December 10, 2013**.

Assignor has received Ten Dollars (\$10.00) and other good and valuable consideration for this assignment. Assignor assigns to Assignee all of Assignor's right, title and interest in the United States patent application, the invention(s) described and claimed in the United States patent application, and all United States patents that may issue based on the invention(s) and on the United States patent application, including any United States patent that issues from any divisional, continuation, continuation-in-part, substitute, reissue, and/or reexamination United States patent application claiming the benefit of any of the United States patent application, including the right to enforce the United States Patents for infringement accrued prior to the effective date of this assignment. Assignor also assigns to Assignee all priority rights in the United States patent applications Assignor authorizes the Commissioner of Patents and Trademarks or other governmental authority to issue all United States patents for the invention directly to Assignee. Assignor states that Assignor has the right to grant to Assignee the rights which are assigned by this assignment. Assignor will sign any additional documents as may be needed to carry out the purpose of this assignment. This assignment does not apply to the invention(s) described and claimed in the United States patent application, and any issued United States patents that may also be described and claimed in any counterpart foreign country patent application and any counterpart foreign country patent issuing therefrom, which foreign country patent applications and patents are jointly owned by the Assignee and Decathlon having an address at 4 Boulevard de Mons, Villeveuve D'Ascq, 59650 France. This assignment is binding on all parties who lawfully succeed to the rights of or take the place of Assignor or Assignee.

The undersigned hereby grant(s) to the firm of KAPLAN BREYER SCHWARZ & OTTESEN LLP, 100 Matawan Road, Suite 120, Matawan, New Jersey 07747, the power to insert on this assignment any further identification of the Patent which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office concerning recordation of this document.
