have invented a certain new and useful

DEPRESSOR/RETRACTOR

for which a provisional patent application (35 U.S.C. § 111(b)) was filed in the United States Patent Office on March 18, 2014 and assigned Application No. 61/954,863; and

for which an application was filed for Letters Patent of the United States on March 18, 2015 and assigned Application No. 14/661,767;

WHEREAS, The Nemours Foundation, a Florida corporation having a place of business at 4600 Touchton Road East, Bldg. 200, Suite 500, Jacksonville, FL 32246, hereinafter generally referred to as "ASSIGNEE", is desirous of acquiring said invention and said applications;

NOW, THEREFORE, in consideration of the sum of One Dollar and other good and valuable executed consideration, the full receipt and sufficiency of all of which are hereby acknowledged, and intending to be legally bound hereby, We, the undersigned ASSIGNORS,

15042838.1

hereby agree to sell, assign, transfer and convey and by these presents do sell, assign, transfer and convey unto the above-named ASSIGNEE, our whole and entire right, title and interest

in and to said invention as described in the above applications for the territory of the United States and its possessions and territories and all foreign countries,

in and to the above provisional patent application No. 61/954,863, the above application No. 14/661,767 for letters patent, and any other United States or foreign applications for Letters Patent or other grants of protection on said invention, including the right to claim priority from any such application; and

in and to any and all United States Letters Patent and all foreign Letters Patent or other grants of protection which may be granted on said invention, including divisions, reissues and continuations;

said invention, applications and Letters Patent or other grants of protection to be held and enjoyed by the above-named ASSIGNEE, for ASSIGNEE's own use and behoof, and for ASSIGNEE's legal representatives and assigns to the full end of the term or terms for which said Letters Patent or other protection may be granted, as fully and entirely as the same would have been held by the undersigned ASSIGNORS had this assignment and sale not been made; and for the aforesaid consideration ASSIGNORS hereby covenant, agree and undertake to execute, whenever requested by the above-named ASSIGNEE, all patent applications, assignments, lawful oaths and any other papers which ASSIGNEE may deem necessary or desirable for securing to ASSIGNEE or for maintaining for ASSIGNEE all things hereby assigned or agreed to be assigned; all without further compensation to the undersigned ASSIGNORS.

WE HEREBY authorize the above-mentioned ASSIGNEE or its legal representative to insert in the instrument the filing date and/or application number of aforesaid application or any other information that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
