## **INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT**

This INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (“**IP Assignment**”), dated as of 26<sup>th</sup> day of June, 2014, is made by Tamrac, Inc. a California corporation d/b/a Tamrac, Int’l., d/b/a Tamrac, International, d/b/a Authentic Traveler (“**Seller**”), in favor of GuraGear, LLC, a Delaware limited liability company (“**Purchaser**”) pursuant to that certain Asset Purchase Agreement between Purchaser and Seller, dated as of May 15, 2014 (the “**Purchase Agreement**”).

WITNESSETH:

WHEREAS, under the terms of the Purchase Agreement, Seller has conveyed, transferred and assigned to Purchaser, among other assets, certain intellectual property of Seller, and has agreed to execute and deliver this IP Assignment, for recording with governmental authorities including, but not limited to, the US Patent and Trademark Office and the US Copyright Office;

NOW THEREFORE, in connection with the Purchase Agreement, for and in consideration of the foregoing premises and for other good and valuable consideration, the receipt, adequacy, and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. In consideration for the execution of the Purchase Agreement, the payment of the consideration stipulated in the Purchase Agreement and other good and valuable consideration, the receipt and sufficiency are hereby acknowledged, Seller hereby irrevocably conveys, transfers and assigns to Purchaser, and Purchaser hereby accepts, all of Seller's right, title and interest in and to the following (the “**Assigned IP**”):

(a) the patents and patent applications set forth in Schedule 1 hereto and all issuances, divisions, continuations, continuations-in-part, reissues, extensions, reexaminations and renewals thereof (the “**Patents**”);

(b) the trademark registrations and applications set forth in Schedule 2 hereto, together with the goodwill connected with the use of and symbolized thereby and all issuances, extensions and renewals thereof (the “**Trademarks**”); provided that, with respect to the United States intent-to-use trademark applications set forth in Schedule 2 hereto, the transfer of such applications accompanies, pursuant to the Purchase Agreement, the transfer of Seller's business, or portion of the business to which the trademark pertains, and that business is ongoing and existing/the transfer of such applications shall not be effective until the expiration of any period during which the assignment thereof would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(c) any and all copyright registrations, applications for registration and exclusive copyright licenses hereto and all issuances, extensions and renewals thereof (the “**Copyrights**”);

(d) all rights of any kind whatsoever of Seller accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(e) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(f) any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Seller authorizes the Commissioner for Patents, the Commissioner for Trademarks and the Register of Copyrights and any other domestic and foreign governmental officials to record and register this IP Assignment upon request by Purchaser. Seller shall take such steps and actions following the date hereof, including the execution of any documents, files, registrations, or other similar items, that are reasonable and necessary to ensure that the Assigned IP is properly assigned to Purchaser, or any assignee or successor thereto. Without limiting the generality of the foregoing, Seller hereby agrees: (i) to assign, deliver and communicate to Purchaser, its representatives, agents, successors and assigns any facts and materials relating to the Assigned IP, including evidence for interference purposes or for other legal proceedings whenever requested and all files, documents and communications pertaining to the Assigned IP, including all communications to and from the US Patent and Trademark Office or the US Copyright Office and any and all legal counsel advising on or assisting with the Assigned IP; and (ii) to execute and deliver whenever requested all lawful papers required to make any of the foregoing provisions effective. Purchaser hereby agrees to pay the reasonable expenses associated with the foregoing actions.

3. Terms of the Purchase Agreement. The terms of the Purchase Agreement, including, but not limited to, the representations, warranties, covenants, agreements and indemnities relating to the Assigned IP are incorporated herein by this reference. The parties hereto acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

4. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

5. Successors and Assigns. This IP Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This IP Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this IP Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of California, without giving effect to any choice or conflict of law provision or rule (whether of the State of California or any other jurisdiction).

7. Effective Time. This Agreement shall be effective as of the Closing.

8. Amendment and Waiver. This Agreement may not be amended or modified in any manner other than by an agreement in writing signed by Sellers and Purchaser or their respective successors or permitted assigns. No waiver under this Agreement shall be valid or binding unless set forth in a writing duly executed and delivered by the party against whom enforcement of such waiver is sought.

9. Notice. Any notice given pursuant to this Agreement shall be given in the same manner as stated in Section 17.3 of the Purchase Agreement.
