EXHIBIT 1

LAST WILL OF

DAVID D. SHIN

I, David D. Shin, also known as David Dong Shin, a resident of Orange County, California, declare that this is my will. I hereby revoke all my previous wills and codicils.

ARTICLE ONE

INTRODUCTORY PROVISIONS

1.1. Marital Status. I am married to Jenny N. M. Shin, and all references in this will to "my wife" are to her.

1.2. Identification of Living Children. I have two living children, as follows:

<u>Name</u>	<u>Date of Birth</u>
SANG HOON SHIN	10/20/1973
CHRISTOPHER CHANG MIN SHIN	7/4/1975

1.3. No Deceased Children. I have no deceased children.

1.4. No Contract Affecting Will. I have not entered into any contract to make a will or a testamentary gift, not to revoke a will or a testamentary gift, or to die intestate.

1.5. No Exercise of Power of Appointment. I intentionally refrain from exercising any power of appointment that I now possess or that hereafter may be conferred on me.

ARTICLE TWO

GIFT OF ENTIRE ESTATE

2.1. Gift of Entire Estate. I give all of my property to the trustee of the SHIN FAMILY REVOCABLE TRUST, created under the declaration of trust executed on the same date as, but immediately before, the execution of this will, by David D. Shin and Jenny N. M. Shin as settlors and trustees. The trustee of that trust shall add the property disposed of under this will to the

trust principal and hold, administer, and distribute the property in accordance with the provisions of that declaration of trust, including any amendments of that declaration of trust that have been made before or after execution of this will.

ARTICLE THREE

RESIDUARY PROVISIONS

3.1. Disposition of Residue. If the SHIN FAMILY REVOCABLE TRUST has been revoked, terminated, or declared invalid for any reason, I give the residue of my estate to the executor of this will, as trustee, who shall hold, administer, and distribute the property under a testamentary trust, the terms of which shall be identical to the terms of the SHIN FAMILY REVOCABLE TRUST that are in effect on the date of execution of this will or such later date on which this will is republished.

ARTICLE FOUR

EXECUTOR

4.1. Nomination of Executor. I nominate my wife as executor of this will.

4.2. Successor Executors. If my wife is unable (by reason of death, incapacity, or any other reason) or unwilling to serve as executor, or if at any time the office of executor becomes vacant, by reason of death, incapacity, or any other reason, and no successor executor or coexecutors have been designated under any other provision of this will, I nominate the following, in the order of priority indicated, as executor:

First, **SANG HOON SHIN**, my son;

Second, **CHRISTOPHER CHANG MIN SHIN**, my son.

If all those named above are unwilling or unable to serve as successor executor, a new executor or coexecutors shall be appointed by the court.

4.3. Waiver of Bond. No bond or undertaking shall be required of any executor

nominated in this will.

4.4. General Powers of Executor. The executor shall have full authority to administer my estate under the California Independent Administration of Estates Act. The executor shall have all powers now or hereafter conferred on executors by law, except as otherwise specifically provided in this will, including any powers enumerated in this will.

4.5. Power to Invest. The executor shall have the power to invest estate funds in any kind of real or personal property, as the executor deems advisable.

4.6. Division or Distribution in Cash or in Kind. In order to satisfy a pecuniary gift or to distribute or divide estate assets into shares or partial shares, the executor may distribute or divide those assets in kind, or divide undivided interests in those assets, or sell all or any part of those assets and distribute or divide the property in cash, in kind, or partly in cash and partly in kind. Property distributed to satisfy a pecuniary gift under this will shall be valued at its fair market value at the time of distribution. This section shall apply only to the extent that it does not conflict with the provisions of the SHIN FAMILY REVOCABLE TRUST.

4.7. Power to Sell, Lease, and Grant Options to Purchase Property. The executor shall have the power to sell, at either public or private sale and with or without notice, lease, and grant options to purchase any real or personal property belonging to my estate, on such terms and conditions as the executor determines to be in the best interest of my estate.

4.8. Payments to Legally Incapacitated Persons. If at any time any beneficiary under this will is a minor or it appears to the executor that any beneficiary is incapacitated, incompetent, or for any other reason not able to receive payments or make intelligent or responsible use of the payments, then the executor, in lieu of making direct payments to the beneficiary, may make payments to the beneficiary's conservator or guardian; to the beneficiary's custodian under the Uniform Gifts to Minors Act or Uniform Transfers to Minors Act of any state; to the beneficiary's custodian under the California Uniform Transfers to Minors Act until the beneficiary reaches the age of twenty-five (25); to one or more suitable persons, as the

executor deems proper, such as a relative or a person residing with the beneficiary, to be used for the benefit of the beneficiary; to any other person, firm, or agency for services rendered or to be rendered for the beneficiary's assistance or benefit; or to accounts in the beneficiary's name with financial institutions. If there is no custodian then-serving or nominated to serve by me for a beneficiary, the personal representative or executor, as the case may be, shall designate the custodian. The receipt of payments by any of the foregoing shall constitute a sufficient acquittance of the executor for all purposes.

ARTICLE FIVE CONCLUDING PROVISIONS

5.1. Definition of Death Taxes. The term "death taxes," as used in this will, shall mean all inheritance, estate, succession, and other similar taxes that are payable by any person on account of that person's interest in my estate or by reason of my death, including penalties and interest, but excluding the following:

(a) Any additional tax that may be assessed under Internal Revenue Code Section 2032A.

(b) Any federal or state tax imposed on a "generation-skipping transfer," as that term is defined in the federal tax laws, unless the applicable tax statutes provide that the generation-skipping transfer tax on that transfer is payable directly out of the assets of my gross estate.

5.2. Payment of Death Taxes. Pursuant to the declaration of trust executed on the same date as, but immediately before, the execution of this will by David D. Shin and Jenny N. M. Shin as settlors and trustees, all death taxes, whether or not attributable to property inventoried in my probate estate, shall be paid by the trustee from that trust. If that trust does not exist at the time of my death, or if the assets of that trust are insufficient to pay the death taxes in full, I direct the executor to pay any death taxes, whether or not attributable to property inventoried in my probate estate, that cannot be paid by the trustee, by prorating and apportioning those taxes among the persons interested in my estate, as provided in the

California Probate Code; however, any death taxes attributable to any property passing to my wife under this will or otherwise that qualifies for the federal estate tax marital deduction shall be paid pro rata out of property passing under this will or otherwise that does not qualify for the federal estate tax marital deduction, so that the property qualifying for the federal estate tax marital deduction shall pass to my wife free of any death taxes.

5.3. Simultaneous Death. If any beneficiary under this will and I die simultaneously, or if it cannot be established by clear and convincing evidence whether that beneficiary or I died first, I shall be deemed to have survived that beneficiary, and this will shall be construed accordingly.

5.4. Period of Survivorship. For the purposes of this will, a beneficiary shall not be deemed to have survived me if that beneficiary dies within SIX MONTHS after my death.

5.5. Intentional Omission of Children Born or Adopted After Execution of Will. Except as otherwise provided in this will, I have intentionally failed to provide in this will for any children born to or adopted by me after the execution of this will.

5.6. No-Contest Clause. If any person, directly or indirectly, contests the validity of this will in whole or in part, or opposes, objects to, or seeks to invalidate any of its provisions, or seeks to succeed to any part of my estate otherwise than in the manner specified in this will, any gift or other interest given to that person under this will shall be revoked and shall be disposed of as if he or she had predeceased me without issue.

5.7. Definition of Incapacity.

(a) For purposes of this will, a person is deemed "incapacitated" or deemed to suffer from "incapacity" if any of the following circumstances apply:

(1) The person is unable, in the executor's judgment, to provide property for that person's own needs for physical health, food, clothing, or shelter; to manage substantially that person's own financial resources; or to resist fraud or undue influence.

(2) Either a medical doctor, board-certified neuropsychologist, or a board-certified psychiatrist, not related by blood or marriage to any executor or beneficiary, examines such person and declares under penalty of perjury that such person is either temporarily or permanently incapacitated, according to generally accepted medical definitions.

(3) The person is operating under a legal disability, such as a duly established conservatorship.

(4) The court makes a finding that the person is either temporarily or permanently incapacitated under the criteria set forth in Prob. Code Section 810 et seq.

(b) In case of temporary incapacity of a sole executor, the successor executor designated under this will shall serve during the period of temporary incapacity as though he or she were the only executor. In case of temporary incapacity of a coexecutor, the other coexecutor shall make any and all decisions during the period of temporary incapacity as though that coexecutor were the only executor.

(c) Any executor deemed to be temporarily incapacitated shall be deemed to be permanently incapacitated 90 days after the determination of temporary incapacity unless a determination of capacity is made within that 90-day period. If a determination of capacity is made, the executor may resume serving as executor. If there is a subsequent determination of incapacity, the executor has another 90-day period to obtain a determination of capacity.

(d) Any successor executor or coexecutor serving in place of a temporarily incapacitated executor shall not be relieved of liability until that executor's account has been settled or an account has been waived by a majority of all current beneficiaries of the estate.

(e) If any executor or any beneficiary whose capacity is in question disputes the determination of incapacity under any of the standards listed above, such person may petition the court for a finding regarding that person's capacity. The court's finding shall be conclusive. If the court determines that the executor or other person whose capacity is in question has capacity, the estate property shall bear all expenses associated with the examination or court proceeding. If the court sustains the determination of incapacity, the individual challenging the determination of incapacity shall bear all expenses of the examination or court proceeding.

(f) Each individual executor agrees to cooperate in any examination reasonably necessary for the purpose of determining capacity, agrees to waive the doctor-patient privilege in respect to the results of such examination, and agrees to provide written authorization in compliance with the privacy regulations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. Section 1320d) and the provisions of California Civil Code Section 56.10 for the disclosure and use of that executor's health information and medical records to the extent that such disclosure and use are necessary to make a determination of the executor's capacity. Refusal to submit to the examination, to provide the waiver, or to provide the written authorization when requested by the successor executor and the current beneficiaries of the estate shall be deemed a resignation by that executor.

5.8. Number and Gender. As used in this will, references in the masculine gender shall

be deemed to include the feminine and neuter gender, and vice versa, and references to the singular shall be deemed to include the plural, and vice versa, wherever the context so permits.

5.9. Captions. The captions appearing in this will are for convenience of reference only, and shall be disregarded in determining the meaning and effect of the provisions of this will.

5.10. Severability Clause. If any provision of this will is invalid, that provision shall be disregarded, and the remainder of this will shall be construed as if the invalid provision had not been included.

5.11. California Law to Apply. All questions concerning the validity and interpretation of this will, including any trusts created by this will, shall be governed by the laws of the State of California in effect at the time this will is executed.

Executed on 01/17/09 at WESTMINSTER

California.
