**ASSIGNMENT
(World Wide Patent Rights)**

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, as a below named inventor, I hereby sell, assign and transfer to AM General LLC, a limited liability company of Delaware, having its principal office at 105 N. Niles Avenue, South Bend, Indiana 46617, its successors and assigns or other legal representatives, all my rights, title and interest in and to the invention entitled

DUNNAGE PRODUCT

invented by me, and to any United States and foreign patents to be obtained thereon, as described in United States Patent Application Serial No. 13/091,439, filed April 21, 2011, and any and all other applications related to or claiming priority of such provisional application, the said interest being the entire ownership of the invention, said U.S. Letters Patent and any foreign Letters Patent when granted, to be held and enjoyed by said AM General LLC, its successors, assigns or other legal representatives, to the full end of the term for which said Letters Patents may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

And I hereby agree to sign and execute any further documents or instruments which may be necessary, lawful, and proper in the prosecution of the above-named application or in the preparation and prosecution of any continuing, continuation-in-part, substitute, divisional, renewal, reviewed or reissue applications or in any amendment, extension, or interference

proceedings, as well as any papers necessary to procure foreign patents on said invention, or otherwise to secure the title thereto in said assignee.

And I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said AM General LLC.
