## RELEASE OF PATENT SECURITY INTEREST

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Monroe Capital Management Advisors, LLC (the "Administrative Agent") as agent pursuant to that certain Patent Security Agreement dated as of December 31, 2014, by and among Accel Performance Group LLC ("Grantor") and Administrative Agent (as the same may have been amended, modified, restated, or supplemented from time to time, the "Patent Security Agreement") granted in conjunction with that certain Guaranty and Collateral Agreement, dated as of December 16, 2013, with and in favor of Administrative Agent for the ratable benefit of the Lenders (as defined therein), does hereby unconditionally and expressly release, terminate and forever discharge and extinguish any and all of its right, title and interest in and to any and all liens and security interests it may have under all intellectual property collateral identified in the Patent Security Agreement, namely, all of the Grantor's right, title and interest in, to and under (a) all of its Patents and all Intellectual Property Licenses, including, without limitation, those referred to on Schedule 1 hereto; (b) all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals and extensions of the foregoing; and (c) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof, (the "Released Collateral"), arising from the Patent Security Agreement. The Administrative Agent hereby terminates the Patent Security Agreement and releases, retransfers and reassigns to the Grantor the security interest and all of the Administrative Agent's right, title and interest it may have in, to and under the Released Collateral. The Administrative Agent will execute and deliver, at the request and cost of Grantor, such further instruments, documents and release forms as Grantor may reasonably request to more effectively release, terminate, discharge, and extinguish any such liens and security interests upon such Released Collateral. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed thereto in the Patent Security Agreement.

The Administrative Agent hereby authorizes and requests the Commissioner of Patents and Trademarks and any other applicable government officer to record this Release of Patent Security Interest.
