ASSIGNMENT

For valuable consideration, the receipt of which is hereby acknowledged, I hereby assign to Pointivo, Inc., a corporation of Delaware, having an address of 75 5th Street, NW, Suite 200, Atlanta, GA 30308, United States of America, and its successors and assigns (collectively hereinafter called "the Assignee"), my entire right, title and interest throughout the world in the inventions and improvements that are the subject of the following applications for United States Patent:

"Indoor Survey Devices and Methods," filed May 24, 2015 and assigned U.S. Provisional Patent Application No. 62/165,995;

"Photogrammetric Methods and Devices Related Thereto," filed August 13, 2015 and assigned U.S. Utility Application No. 14/826,104; and

"Photogrammetric Methods and Devices Related Thereto," filed August 13, 2015 and assigned U.S. Utility Application No. 14/826,113

These assignments shall include all said inventions, improvements thereof, and application(s) related thereto; any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements thereof; and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name, with or without co-inventors, or in its own name, for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I agree for myself and my respective heirs, legal representatives and assigns, without further compensation, to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and all other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
