ASSIGNMENT

WHEREAS, we, Anthony Cascolan, whose full post office address is 323 W. Edson Place, Lombard, IL 60148 and Roland Mueller, whose full post office address is 1757 Plymouth Ct., #B, Wheaton, IL 60148, ("Assignors") have invented a certain new and useful improvement in:

SOLENOID COUPLING WITH ELECTRICAL PULSE RELEASE

for which we have made application for Letters Patent of the United States; and

WHEREAS, Magnet-Schultz of America, Inc., a corporation organized and existing under and by virtue of the laws of the State of Illinois and having its principal place of business at: 401 Plaza Drive, Westmont, IL 60559 ("Assignee") is desirous of acquiring the entire right, title and interest in and to said invention, and in and to the Letters Patent to be obtained therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration to us in hand paid, the receipt and sufficiency of which is hereby acknowledged by Assignors, said Assignors has sold, assigned and transferred, and by these presents does sell, assign and transfer unto the said Assignee, the entire right, title and interest in and to said invention as fully set forth and described in the aforesaid application, and all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, together with all future improvements thereon and additions thereto, and any and all divisional and continuing applications therefor, and the patents which may be thereupon issued, and any and all rights to file applications and receive patents in countries foreign to the United States, the same to be held and enjoyed by the said Assignee to the full end of the term for which Letters Patents may be granted, as fully and entirely as the same would have been held and enjoyed by Assignors had this assignment and sale not been made; and said Assignors hereby agree to sign all necessary papers in connection with the prosecution and assignment of each and every of said applications.

AND, Assignors hereby authorizes and requests the Commissioner of Patents or other appropriate patent official to issue the said Letters Patent to the said Assignee of its entire right, title and interest in and to the same for the sole use and benefit of the said Assignee, its successors and assigns, until the full end of the term for which Letters Patent may be granted as fully and entirely as the same would have been held by said Assignor had this assignment not been made. Assignors further assign all income, royalties, payments, and/or claims for damages arising out of or relating to any infringement of the Letters Patent to Assignee.

Assignors agree to execute and deliver at the request of the Assignee, all papers, instruments, and assignments, to perform any other reasonable acts the Assignee may require in order to vest all of Assignors' rights, title and interest in and to the invention and the Letters Patent in the Assignee and/or to provide evidence to support any of the foregoing in the event such evidence is deemed

necessary by the Assignee to the extent such evidence is in the possession and control of the Assignors.

Assignors hereby warrants that Assignors have the full right to make the conveyance herein, and Assignors hereby covenants that Assignors, its heirs, legal representatives and assigns, will when requested, communicate to said Assignee, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, re-examination and foreign or international applications, together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Assignee, its successors and assigns, in obtaining of letters patent.

Assignors declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
