ASSIGNMENT

WHEREAS, We, John Douglas Corless residing at 10416 Baroness Drive, Dallas, TX 75229; Andrew Weeks Kueny residing at 5630 Morningside Avenue, Dallas, TX 75206; Mark Anthony Meloni residing at 5209 Reed Drive, The Colony, TX 75056 have made an invention in a

REFERENCED AND STABILIZED OPTICAL MEASUREMENT SYSTEM

for which application for United States Patent

- ☐ is made on even date herewith.
- ☒ was filed on ***July 11, 2011*** and assigned Serial No. ***13180508***
(attorney docket number 946959600081).

WHEREAS, Verity Instruments, Inc., a corporation organized and existing under the laws of Texas and having its principal place of business at 2901 Eisenhower Street, Carrollton, Texas, United States 75007, is desirous of acquiring the entire right, title and interest in and to said invention and in and to any Letters Patent that may be granted therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, we do hereby sell, assign, and transfer unto said Verity Instruments, Inc., its successors and assigns, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application; and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications and to claim priority under the provisions of the International Convention; also any improvements on said invention or inventions now or hereafter made by us during the period of our employment; also the entire right, title and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon said invention, inventions, or improvements and any divisional, continuation, continuation-in-part or substitute applications which may be filed upon said invention, inventions, or improvements in this or any foreign country, and we hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said Verity Instruments, Inc., as assignee of the entire interest.

We do hereby agree for ourselves and for our heirs, executors, and administrators to execute any lawful document and to testify as to any material fact or thing which Verity Instruments, Inc., its successors and assigns, may deem necessary in order to secure unto itself its successors and assigns the full right, title and interest in and to the full enjoyment of said invention or any part thereof and the said Letters Patent or any of them, the same to be done without any further consideration.

*We hereby authorize and request my attorney, **Rudolph J. Buchel, Jr** (USPTO Reg. No. 43,448) of **Rudolph J. Buchel, Jr., P.C.** (USPTO Customer No. 41498), to enter such identification information necessary for the identification of said patent application after the execution of the present assignment, to wit, to insert herein to the above section(s) an indication said patent application is made on even date herewith, and/or, the filing date and application number of said application when known.*

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals on the date set after our signatures.
