ASSIGNMENT OF PATENT APPLICATION

I, William Bew White, III, residing at _____,
("Assignor") state that I am an original co-inventor of the inventions relating to the

LOUNGE CHAIR

described in the U.S. patent application bearing the same title, (such inventions and description being the "Invention"), such application referred to herein as "the Current Application." Assignor agrees to assign, and hereby does assign for good and valuable consideration, receipt and sufficiency of which are hereby expressly acknowledged, and hereby does sell, assign and transfer unto

Gabriella White, LLC, 3140 Pelham Parkway, Pelham, AL 35124 U.S. (the
"Assignee")

a limited liability company organized under the State laws of Delaware, and its successors, assigns and legal representatives, Assignor's entire right, title and interest, for all countries in and to: (1) the Inventions, (2) the "Current Application and any invention(s) (including without limitation, improvement(s)) set forth therein; and (3) any and all applications (and all rights and inventions therein) that claim the benefit of or priority to the Current Application (including without limitation any and all nonprovisional applications, continuations, continuations-in-part, divisionals, renewals of, International Applications, national stage applications, foreign counterpart applications, and substitutes); and (4) all the rights and privileges under any and all Letters Patent that may be granted for any of the foregoing in any country, and any reissues, or reexaminations, or extensions thereof. Assignor requests that any and all Letters Patent for said inventions be issued to said Assignee, its successors, assigns and legal representatives, or to such nominees as it may designate.

I hereby authorize and request attorneys for assignee, **Bradley Arant Boult Cummings, LLP**, to insert here in parentheses the filing date and application number of the Current Application when known: (Appl. No. _____, filed _____).

Assignor agrees that, when requested, Assignor will, without charge to said Assignee but at his expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said Assignee, its successors, assigns and legal representatives or nominees.

Assignor authorizes and empowers said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by the Patent Cooperation Treaty, the Paris Convention, and the International Convention for the Protection of Industrial Property, as amended, or by any convention or treaty which may henceforth be substituted for said treaties and conventions, and to invoke and claim such right of priority without further written or oral authorization from us.
