ASSIGNMENT

This Assignment made by **Kota Enterprises, LLC** ("Kota"), hereinafter referred to as assignor, a Delaware limited liability company with a principal place of business at 1000 North West Street, Suite 1200, City of Wilmington, State of Delaware, 19801;

WITNESSETH: That,

WHEREAS, the patent application(s) and patent(s) (hereinafter "the patents"), which are listed in attached Exhibit A, are hereby assigned to the assignor; and

WHEREAS, **Waldeck Technology, LLC** ("Waldeck"), a limited liability company duly organizes and existing under the laws of the State of Delaware and having a limited liability place of business at 1000 North West Street, Suite 1200, City of Wilmington, State of Delaware, 19801, hereinafter referred to as assignee, has acquired the entire right, title and interest in and to the patents;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assignor hereby sells, assigns, transfers, and sets over unto the said assignee, its successors and assigns, the entire right, title and interest in and to the patents, and in any and to any and all continuations, continuations-in-part, substitutions, divisions or reissues of the patents, the same to be held and enjoyed by the said assignee, for its interest, and for its own use and behalf, and the use and behalf of its successors and assigns, to the full end of the term for which the patents may be granted as fully and entirely as the same would have been held and enjoyed by assignor had this assignment and sale not been made.

And for the consideration aforesaid, assignor hereby covenants and agrees to and with the said assignee, its successors and assigns, that at the time of the execution and delivery of these presents assignor is the sole and lawful owner of the entire right, title and interest in and to the patents and that the same are unencumbered, and that assignor has good right and lawful authority to sell and convey the same in the manner herein set forth.

And for the consideration aforesaid, assignor hereby covenants and agrees to and with the said assignee, its successors and assigns, that assignor will, whenever its counsel or the counsel of its successors and assigns, learned in the law, shall advise that an amendment, division, continuation, continuation-in-part, or substitution of, or any other proceeding in connection with said application, including interference proceedings, is lawful and desirable, sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for said invention, or for the reissue of the same without charge to assignee, its successors or assigns, but at its expense.

Said sale, conveyance, assignment, and transfer includes, without limitation, the rights to enforce, assert, and sue for past, present, and future infringement of the patents, and the rights to recover and collect for past, present, and future damages related to the patents.
