ASSIGNMENT

THIS ASSIGNMENT dated as of the 22nd day of September 2015 is made between:

ADVANCED WATER SYSTEMS, 14207 N.E. 193rd Place, Woodinville, Washington,
United States 98072 (the "Assignor")

AND

CORPS WORKS INC., 400 N. Commercial Street, Bellingham, Washington, United
States 98225 (the "Assignee")

WHEREAS the Assignor is the owner of US Patent No. 5,767,060 entitled "BONDED POLYMER FILTER MEDIUM AND ITS USE", which issued on June 16, 1998 (the "Patent"); and

WHEREAS the Assignee has acquired from the Assignor the whole right, title and interest for the United States of America in and to the inventions disclosed and claimed in the Patent, and in and to any Letters Patent that may be obtained therefore, and in and to the Patent, and in and to any applications claiming priority therefrom or the benefit thereof, and any divisionals, continuations, reissues and extensions of such Applications.

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor confirms that it has assigned, sold, transferred and conveyed and by these presents does sell, assign and transfer to the Assignee all of the Assignor's worldwide right, title and interest in and to all of the subject matter disclosed in the Patent, including without limitation all right, title and interest in and to the Patent and all divisions, continuations, continuations-in-part, reissues, renewals and substitutes of the Applications, including all priority rights arising therefrom and all inventions disclosed and claimed therein, together with the right to apply for such patents which may be granted for said inventions and all divisional, continuing, reissue, renewal and substitute applications and all other applications in all countries which have been or shall be filed for said invention and the right of action and the right to claim relief for infringement of any patent issuing from the Patent Applications, including the right of action and the right to claim relief for past infringement of any such patent, the same to be held by the Assignee, its successors and assigns, as fully and entirely as the same would have been held by the Assignor had this sale, assignment and transfer not been made.

The Assignor agrees that it will, without further consideration, execute all such documents as may be necessary or desirable to obtain and maintain the Patents *and any patents* arising from the Applications, and to any applications claiming priority therefrom or the benefit thereof, and

to any divisionals, continuations, reissues and extensions thereto in any and all countries, and to vest title thereto in the Assignee, or its successors, assigns and legal representatives or nominees.

The Assignor hereby authorizes and requests the United States Patent and Trademark Office and any official of any country or countries whose duty it is to issue patents on applications as aforesaid, to issue any said Letters Patent to the Assignee of the entire right, title and interest in and to the same, for their sole use and benefit, and for the use and benefit of their successors and assigns, to the full end of the term for which the Letters Patent may be granted as fully and entirely as the same would have been held by the Assignor had this assignment and sale not been made.

IN WITNESS WHEREOF the parties hereto have executed this Agreement as of the day and year first above written.
