ASSIGNMENT

The undersigned hereby sell and assign their entire right, title and interest to COMAR, INC. (the Assignee), a non-profit corporation organized and existing under the laws of the State of New Jersey having its principal place of business at One Comar Place, Buena, NJ 08310 for

Check applicable box(es): ☒ the United States of America (as defined in 35 U.S.C. § 100),
☒ and throughout the world,

in the invention known *PASSIVE VALVE CONCEPTS FOR LIQUID DELIVERY* (also known as U.S. Provisional Patent Application 61/739,445, filed on December 19, 2012) in any and all applications thereon, in any and all Letters Patent(s) therefor, and in any and all reissues, extensions, renewals, reexaminations of such applications or Letters Patent(s) and divisionals and continuing applications thereof to the full end of the term or terms for which such Letters Patent(s) issue, such entire right, title and interest to be held and enjoyed by the above-named Assignee to the same extent as they would have been held and enjoyed by the undersigned had this assignment and sale not been made.

The undersigned agree to execute all papers necessary in connection with the application and any continuing, divisional, reissue, reexamination or corresponding applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agree to execute all papers necessary in connection with any interference that may be declared concerning the application or any continuing, divisional, reissue or reexamination applications thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference.

The undersigned hereby represents that they have full right to convey undersigned entire interest herein assigned, and that they have not executed, and will not execute, any agreement in conflict therewith.
