## ASSIGNMENT OF PATENT RIGHTS

WHEREAS, I the undersigned:

CHRISTOPHER PHILIP NYTE; a United States Citizen, and ASSIGNOR, am the inventor of the invention in "Method and System for Treatment of Internal Nasal Valves" for which I have executed an application for letters Patent in the United States, which was filed on 09/22/2005 as Application Serial No. 11/232,688; and

WHEREAS, E. ANTONIO MANGUBAT and/or assigns, ASSIGNEE is desirous of obtaining our entire right, title and interest in, to and under said invention and said application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the ASSIGNOR, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto said ASSIGNEE, its successors, legal representatives and assigns, my entire right, title and interest in, to and under said invention, and said United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may already have been or hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I have full right to convey the entire interest herein assigned, and that I have not executed, and will not execute, any agreement in conflict herewith.

AND I HEREBY further covenant and agree that I will communicate to said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said invention, execute all divisional, continuing, reissue and foreign applications which claim priority to that invention and make all rightful oaths required for said applications.

AND I HEREBY further covenant and agree that I will amend this Assignment, as reasonably requested by ASSIGNEE, in order to comply with the laws of Washington State, of the United States, and/or any other foreign jurisdiction if required to make this Assignment effective in such jurisdiction and/or needed in order to comply with the Settlement Agreement between the parties hereto, executed effective, February 26, 2009.

IN TESTIMONY WHEREOF, I herunto set my hand and seal the day and year set opposite my respective signature.
