ASSIGNMENT

This Assignment is made and entered into by and between ERGOCON SOLUTIONS, LLC, an Oregon limited liability company with an address of PO Box 91, Wilsonville, Oregon 97070 (hereinafter, "ERGOCON") and AUTOMATED PACKAGING SYSTEMS, Inc., an Ohio corporation, with its office at 10175 Philipp Parkway, Streetsboro, Ohio 44241 (hereinafter, "APS").

Whereas ERGOCON has a right, title and interest in and to certain inventions described in U.S. Patent Number 7,641,040 entitled TEXTILE SEPARATING APPARATUS, filed on December 19, 2007 as U.S. Patent Application Serial No. 12/004.318, which claims the benefit of U.S. Provisional Patent Application Number 60/876,925, filed on December 21, 2006 (the "PATENT");

Whereas APS desires to acquire ERGOCON'S entire right, title and interest in said PATENT and inventions, and to any United States and foreign patents based on or resulting from said PATENT; and

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged:

ERGOCON hereby sells, assigns, and transfers to APS, its successors and assigns, all of ERGOCON'S right, title and interest in said PATENT and said inventions described in said PATENT, any and all other patent applications for said invention in the United States and in all countries foreign to the United States, including, but not limited to, all provisional, non-provisional, continuation, divisional, renewal, substitute, PCT, and Convention applications, based in whole or in part upon said inventions or upon said applications, any and all patents and reissues, reexaminations, and extensions of patents granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications, and said patents.

APS and its successors and assigns are hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of APS or otherwise as APS or its successors and assigns, may deem advisable, under the International Convention or otherwise.

The Commissioner of Patents of the United States of America and the empowered officials of all other governments being hereby authorized to issue or transfer all said patents to APS in accordance herewith.

This assignment is being made under covenant, not only that full power to make the same is had by the ERGOCON, but also that such assigned right is not encumbered by any grant, license, or other right heretofore given.

ERGOCON agrees that it will perform all acts reasonably serving to assure that said inventions, said applications, and said patents shall be held and enjoyed by APS and its successors and assigns as fully and entirely as the same could have been held and enjoyed by ERGOCON if this assignment had not been made, and particularly to execute and deliver to APS and its successors and assigns all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and in substance which may be requested by APS, its successors and assigns, to furnish APS and its successors and assigns with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure, and reduction to practice of said inventions, and to testify in any proceedings relating to said inventions, said applications, and said patents. ERGOCON hereby irrevocably grants APS and its successors and assigns power of attorney to execute and deliver any such documents on ERGOCON'S behalf in its name and to do all other lawfully permitted acts to transfer said inventions, said applications, and said patents to APS and further the transfer, prosecution, issuance and maintenance of all said applications, and said patents, to the full extent permitted by law, if ERGOCON does not promptly cooperate with APS's request (without limiting the rights APS shall have in such circumstances by operation of law).

ERGOCON acknowledges and understands that it has the opportunity to consult with independent legal counsel prior to executing this Assignment.
