ASSIGNMENT / DECLARATION

WHEREAS, **RAY ARBESMAN** whose full post office address is **42 Burton Road, Toronto, Ontario, M5P 1V2, Canada**, (hereinafter the "Assignor") is the inventor/author of various Industrial Designs, Industrial Design Applications, Design Patent Applications, and Design Patents, set out in Schedule A appended hereto (hereinafter "the Designs");

AND WHEREAS, **SPIDERTECH INC.**, whose full post office address is 115 Ridgetop Road, Toronto, Ontario, Canada, M1P 4W9, (hereinafter "the Assignee") has acquired from the Assignor, the Assignor's entire right, title and interest in and to the Designs, in all countries of the world, including the Assignor's rights to the Designs, and all related applications and industrial designs and design patents thereon, including any and all, international, national and regional phase applications based on the Designs, and other counterpart applications in all countries, and any and all substitutes, divisionals, continuations and continuations-in-part, and any Letters Patent and/or Industrial Design Registrations that may be obtained therefor, and in any and all reissues, extensions, renewals and reexaminations of such applications and patents, including the right to claim priority to the Designs, and to all related applications and industrial designs and design patents thereon filed by the Assignor or the Assignee, including the benefit of any right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and the benefit of any right of priority provided by any convention or treaty under domestic or foreign law, and to invoke and claim any such right of priority without further written or oral authorization from the Assignor;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of all of which is hereby acknowledged, the Assignor hereby confirms that, effective as of the filing date of the Designs, he does hereby sell and assign, transfer and set over to the Assignee, all his right, title and interest for Canada, the United States of America, its

territories, dependencies and possessions, and for all other countries in the world, in and to the invention, including their rights to the Designs, and all related applications and industrial designs and design patents thereon, including the right to claim priority to the Designs and to all related applications and designs thereon, to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the Assignor, had this Assignment not been made.

The Assignor hereby confirms that the Designs were made or were authorized to be made by him and that he believes himself to be the original inventor/author of a claimed invention in the Designs.

The Assignor shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain the Designs for the inventions, and all related applications industrial designs and design patents thereon, in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

The Assignor authorizes and empowers Bereskin & Parr LLP/S.E.N.C.R.L., s.r.l., whose complete address is Scotia Plaza, 40 King Street West, 40th Floor, Toronto, Ontario M5H 3Y2, to insert on this Assignment any further identification, to prepare any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country and to correct any clerical error in this assignment.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue any Letters Patent for the Designs, and all related applications thereon, to the Assignee, for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignor had this Assignment and sale not been made.

If a provision of this Assignment is or becomes illegal, invalid or

unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.
