ASSIGNMENT

Whereas, **Martin McVicar**, having a mailing address of 4 Telaydan Heights, Milltown, Monaghan P.O., County Monaghan, Ireland, **Robert Moffett**, having a mailing address of The Octagon, Clontibret, County Monaghan, Ireland and **Mark Whyte**, having a mailing address of Lisccenan, Drumacrib, Castleblaney, County Monaghan, Ireland are joint inventors of certain new and useful improvements in a "**FORKLIFT**", for which a U.S. Design Patent Application is being contemporaneously filed;

And whereas, **Combilift**, an Irish unlimited company having a mailing address of Gallinagh, Monaghan Town, County Monaghan, Ireland, is desirous of acquiring the entire right, title and interest in, to and under the invention and the patent application, and any patent applications claiming priority therefrom;

Now, therefore, in consideration of my employment agreement and other good and valuable consideration, the receipt of which is hereby acknowledged, we, **Martin McVicar**, **Robert Moffett**, and **Mark Whyte**, do hereby sell, assign and transfer to **Combilift**, the entire right, title and interest, in and to the invention of new and useful improvements in and to a "**FORKLIFT**", the application for patent, the invention therein described, and all rights appurtenant thereto and in all patent applications related thereto, including each of the following: the right to apply for any patent for said invention in the U.S.A. and all other countries, any and all other applications for patent on the invention in whatsoever countries, including all non-provisional, divisional, continuation, continuation-in-part, renewal, substitute, and refiled or reissue applications based in whole or in part upon the invention or upon the patent applications or related thereto; any and all related patents that may issue thereon in the U.S.A. and any other countries, all to be held and enjoyed by **Combilift**, and its successors and assigns, all the same as we would have held and enjoyed had this Assignment not been made.

We hereby request and authorize the empowered officials of the U.S.A. and all other countries to grant, issue, and transfer any patent for the invention to **Combilift** as assignee of the entire right, title and interest therein, in accordance with this instrument of assignment.

We hereby represent and warrant that there are no outstanding rights or interest inconsistent with the rights and interests granted herein; we bind ourselves and our heirs, executors, administrators and legal representatives to execute and deliver to **Combilift**, and its successors and assigns, any further documents or instruments and to perform any and all further acts that may be deemed necessary to enable it, and its successors and assigns, to file applications for patent for the invention in any country in which it may elect to file such applications, and to vest in **Combilift**, and its successors and assigns, the title herein conveyed and intended to so be, and to enable such title to be recorded in each application

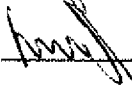

so that any patent issued thereon shall be issued to vest in **Combilift**, and its successors and assigns.
