ASSIGNMENT

In consideration for One Dollar and other good and valuable consideration, receipt of which is hereby acknowledged, I, **James Futrell** (hereafter "Assignor"), of 6141 Bedford Avenue, Los Angeles, CA, 90056, USA, hereby sell, assign, transfer and set over to **Futrell Medical Corporation** (hereafter "Assignee"), having its principal place of business at 6141 Bedford Avenue, Los Angeles, CA, 90056, USA, its successors, assigns, nominees, or other legal representatives, the entire right, title and interest in all countries, including claims for past infringement and priority rights derived from the hereinafter designated U.S. Patent and patent application under the Patent Cooperation Treaty (PCT), in and to the invention or inventions for **SURGICAL DRAPE WITH VAPOR EVACUATION** in United States Patent No. 8,893,721, granted November 25, 2014, and PCT patent application no. PCT/US2014/024636, filed March 12, 2014, together with the right under the PCT to apply for and obtain Letters Patent for said invention or inventions in the United States and in all other countries of the world, including original, divisional, continuation, continuation-in-part, reissue, utility and design patents, patents of addition, confirmation patents, registration patents, petty patents, utility models, etc., and all other types of patents and the like, and all renewals and extensions of any of them, and the rights, title and interest in and to all such Letters Patent, the applications therefor and the subject matter of all claims obtained in said Letters Patent, and authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue Letters Patent on applications as aforesaid to issue said Letters Patent to Assignee, its successors, assigns, nominees or other legal representatives, as assignee the interest, and covenant that Assignor convey the entire interest herein assigned and that Assignor has not executed and will not execute any agreement in conflict herewith.

Assignor further covenant and agree that whenever requested by said Assignee, its successors, assignees, nominees or legal representatives, Assignor will execute and deliver or cause to be executed and delivered such further patent applications, assignments, oaths, disclaimers and other documents, give or cause to be given such evidence and furnish or cause to be furnished such information within our knowledge or control, and do or cause to be done such other acts and furnish or cause to be furnished such other assistance, as it or any of them may deem necessary or desirable in connection with obtaining and/or maintaining any Letters Patent as aforesaid for said invention or inventions, or in connection with any suit or controversy, including interference proceedings, relating to any of such Letters Patent or to any applications therefor or in order to vest or perfect in it or in any of them or to protect or enforce the right, title and interest herein assigned, or otherwise effectuate the premises, all without further consideration but at the expense of said Assignee, its successors, assigns, nominees or other legal representatives.

Assignor hereby grant to Berenato & White, LLC, full power to insert herein the execution and filing dates and serial number of the application for Letters Patent of the United States first above mentioned.
