(hereinafter referred to as ASSIGNORS), having mailing addresses as listed above next to our names, are the joint inventors of an invention entitled "NOVEL GLP-1 RECEPTOR MODULATORS," as described and claimed in the specification for which an application for United States letters patent was filed on July 24, 2015, and assigned Application No. 14/809,020; which application claims the benefit of U.S. Provisional Application No. 62/161,650, filed on May 14, 2005, Provisional Application No. 62/090,040, filed on December 10, 2014, and Provisional Application No. 62/028,962, filed on July 25, 2014;

WHEREAS, Receptos, Inc. (hereinafter referred to as ASSIGNEE), a corporation of the State of Delaware, having a place of business at 3033 Science Park Road, Suite 300, San Diego, California 92121, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE, the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions including any extensions or adjustments in term thereof and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, and including the right to sue and collect damages for past and present infringement of said letters patent; said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United States and foreign letters patent on said invention, for litigation regarding said letters patent, or for the purpose of protecting title to said invention or letters patent therefor.
