SEQUESTO, INC.  
CONSULTING AGREEMENT

This Consulting Agreement ("Agreement") is entered into as of August 15, 2011 (the "Effective Date") between SEQUESTO, Inc. ("Company") and Peter Dalla-Betta ("Consultant"). Company desires to retain Consultant to perform certain consulting activities as described below, and Consultant desires to serve as a consultant to Company and perform such activities under the terms of this Agreement. This Agreement terminates and replaces the Consulting Agreement between Consultant and Company dated June 24, 2011.

NOW, THEREFORE, Consultant and Company agree as follows:

1. SERVICES AND COMPENSATION

- (a) Consultant agrees to act as a consultant to Company with respect to such matters and projects as are mutually agreed from time to time by and between Consultant and Company, and perform the services described on Exhibit A hereto (collectively, "Services").
- (b) Company agrees to pay Consultant the compensation set forth in Exhibit A hereto for the performance of the Services.

3. OWNERSHIP

- (a) Consultant hereby irrevocably assigns to Company all right, title and interest in and to any information (including, without limitation, business plans and/or business information), technology, know-how, materials, notes, records, designs, ideas, inventions, improvements, devices, developments, discoveries, compositions, trade secrets, processes, methods and/or techniques, whether or not patentable or copyrightable, that are conceived, reduced to practice or made by Consultant alone or jointly with others in the course of performing the Services or through the use of Confidential Information (collectively, "Inventions").
- (b) Consultant agrees to sign, execute and acknowledge or cause to be signed, executed and acknowledged without cost, but at the expense of Company, any and all documents and to perform such acts as may be necessary, useful or convenient for the purposes of perfecting the foregoing assignments and obtaining, enforcing and defending intellectual property rights in any and all countries with respect to Inventions. It is understood and agreed that Company or Company's designee shall have the sole right, but not the obligation, to prepare, file, prosecute and maintain patent applications and patents worldwide with respect to Inventions.

- (c) Upon the termination of this Agreement, or upon Company's earlier requests, Consultant will deliver to Company all property relating to, and all tangible embodiments of, Inventions in Consultant's possession or control.
- (d) Consultant agrees that if, in the course of performing the Services, Consultant incorporates into any Invention developed hereunder any invention, improvement, development concept, discovery or other proprietary subject matter owned by Consultant or in which Consultant has an interest ("Item"), Consultant will inform Company in writing thereof before such incorporation, and Company is hereby granted and shall have a non-exclusive, royalty-free, perpetual, irrevocable, worldwide license to make, have made, modify, reproduce, display, use and sell such Item as part of or in connection with the exploitation of such Invention.
- (e) Consultant agrees that if Company is unable because of Consultant's unavailability, mental or physical incapacity, or for any other reason, to secure Consultant's signature to apply for or to pursue any application or registration for any intellectual property rights covering any Invention, then Consultant hereby irrevocably designates and appoints Company and its duly authorized officers and agents as Consultant's agent and attorney-in-fact, to act for and in Consultant's behalf to execute and file any such applications and to do all other lawfully permitted acts to further the prosecution and issuance of such intellectual property rights thereon with the same legal force and effect as if executed by Consultant.
