ASSIGNMENT

WHEREAS, we, Catherine Micek, Ken Williams and Marc Light, hereinafter referred to as the assignors, residing at 3425 Cherry Lane #D, Woodbury, MN 55129, 3824 Beard Ave. S, Minneapolis, MN 55410 and 1804 Wellesley Ave., Saint Paul, MN 55105, respectively, are the inventors of certain inventions or improvements for which we have filed a Non-Provisional Patent Application in the United States Patent and Trademark Office, identified as Application No. 14/882,778, filed October 14, 2015, entitled **VOLTAGE PATTERN ANALYSIS SYSTEM AND METHOD**; and

WHEREAS, WindLogics Inc., hereinafter referred to as the assignee, of 700 Universe Blvd., Juno Beach, Florida, 33408, a Corporation of Florida, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said Non-Provisional Application, and to any non-provisional patent application(s) corresponding thereto, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and intending to be legally bound hereby, we, the said assignors, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, to said assignee, the entire right, title and interest in and to said inventions or improvements and said non-provisional application and any and all corresponding non-provisional patent application(s) and continuations, divisions and renewals of and substitutes for said corresponding patent application(s), and in, to and under any and all Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any re-issue or re-issues or extension or extensions of said Letters Patent, including the full right to sue for and collect damages for past violations of non-provisional rights having arisen from any publication of said non-provisional application, or corresponding non-provisional patent application(s) or any continuations, divisions, or renewals of or substitutes for said corresponding patent application(s). We further assign to and authorize said assignee to file in our names, applications for Letters Patent in all countries, the same to be held and enjoyed by said assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by us had this assignment, sale and transfer not been made.

AND we hereby covenant that we have full right to convey the entire interest herein assigned, and that we have not executed and will not execute any agreement in conflict herewith, and we further covenant and agree that we will, each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said non-provisional application, said corresponding non-provisional patent application(s) and said Letters Patent to said assignee, its successors, assigns, nominees or legal representatives, and we agree to communicate to said assignee, or to its nominee all known facts respecting said inventions or improvements, said non-provisional application, said corresponding non-provisional patent application(s) and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and corresponding non-provisional, divisional, continuing, reissue and foreign applications, to make

all rightful oaths, and generally to do everything possible to aid said assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries.

AND we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents of applications as aforesaid, to issue to said assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements, including any and all Letters Patent of the United States which may be issued and granted on or as a result of any corresponding patent application(s) aforesaid, in accordance with the terms of this assignment.

Each undersigned hereby grants the firm of **FELDMAN GALE, PA** the power to insert on this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF, I have hereunto set my hand and seal.
