ASSIGNMENT

WHEREAS, I,

EVAN LEVY
1845 Marlbrook Drive
Atlanta, GA 30307.

have made new and useful inventions and discoveries as described and/or claimed in a United States provisional patent application entitled **MAGNETIC ROTOR ARRANGEMENT**, filed as application number **61/635,914** on **April 20, 2012**, a United States provisional patent application entitled **MAGNETIC ROTOR ARRANGEMENT**, filed as application number **61/765,448** on **February 15, 2013**, and a United States non-provisional patent application entitled **MAGNETIC ROTOR ARRANGEMENT**, filed as application number **13/800,516** on **March 13, 2013** (hereinafter referred to as "the Applications");

WHEREAS, **HEALEY MAGNETICS, LLC**, organized and existing under and by virtue of the laws of the State of Georgia, having an address of **1845 Marlbrook Drive, Atlanta, GA 30307** (hereinafter referred to as "the Assignee"), is desirous of acquiring the title, rights, interests, benefits and privileges herein recited;

NOW, THEREFORE, for valuable consideration furnished by Assignee to me, the receipt and sufficiency of which is hereby acknowledged, I hereby, without reservations:

1. Assign, transfer, and convey to Assignee the entire right, title, and interest in and to the Applications, any and all inventions and discoveries therein described and/or claimed, and any and all Letters Patent that may be issued upon the Applications, or for the inventions or discoveries therein contained, or upon any application based upon or claiming priority to any of the Applications, in any and all countries, including all non-provisional, divisional, continuation, renewal, substitute, reissue, reexamination, international (including under the Patent Cooperation Treaty) and Convention applications, and any and all reissues and extensions of Letters Patent granted based upon any of the Applications, for said inventions and discoveries, or upon any application based upon or claiming priority to any of the Applications, and every priority right that is or may be predicated upon or arise from any of the Applications, said inventions and discoveries, or any application based upon or claiming priority to any of the Applications.

2. Authorize Assignee to file patent applications in any or all countries for any or all of said inventions and discoveries in my name or in the name of Assignee or otherwise as Assignee may deem advisable.

3. Authorize and request the Commissioner for Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

4. Warrant that I have not knowingly conveyed to others any right, title or interest in said inventions, discoveries, applications, or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; that I have good right

to assign the same to Assignee without encumbrance; and that I am aware of no claim to the contrary.

5. Bind my heirs, legal representatives, and assigns, as well as myself, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to me or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me, my heirs, legal representatives, and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me relating to said inventions and discoveries or the history thereof; to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in my control or in the control of my heirs, legal representatives, or assigns which may be useful for establishing the facts of my conceptions, disclosures, and reduction to practice of said inventions and discoveries; and to testify, upon Assignee's request, to the same in any interference, arbitration, litigation or other proceeding pertaining to the said inventions and discoveries, the said patent applications, and/or the said Letters Patent.

IN TESTIMONY WHEREOF,

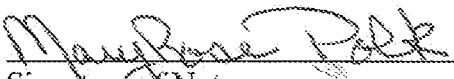

I have hereunto set my hand and seal this 16 day of April, 2013

Evan Levy
