ASSIGNMENT

WHEREAS, WE, **Frank OSTERROTH, Christoph UHEREK, Christoph BRUECHER, Peter RÖTTGEN, Benjamin DAELKEN, André ENGLING, Chantal ZUBER, and Niklas CZELOTH**; have invented certain new and useful improvements in and to the subject matter of:

HUMANIZED ANTI-IL 10 ANTIBODIES FOR THE TREATMENT OF SYSTEMIC LUPUS ERYTHEMATOSUS (SLE)

described in United States Utility Patent Application No. 13/512,712 filed May 30, 2012;

AND, WHEREAS, **BIOTEST AG**, a corporation organized under the laws of Germany, having a place of business located at Landsteinerstrasse 5, 63303 Dreieich, Germany, (hereinafter "ASSIGNEE"), is desirous of acquiring certain rights to the improvements and under the application;

NOW, THEREFORE, in exchange for good and valuable consideration, receipt of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said improvements, said United States application, any other United States applications, including provisional, non-provisional, divisional, renewal, substitute, continuation, continuation-in-part, reexamination and reissue applications, based in whole or in part on said United States application or in whole or in part on said improvements, any foreign applications, including international and regional applications, based in whole or in part on any of the aforesaid United States applications or in whole or in part on said improvements, and in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted on any of the aforesaid applications or on said improvements or any parts thereof;

AND we hereby authorize and request our agents, LeClairRyan, A Professional Corporation, whose address is 2318 Mill Road, Suite 1100, Alexandria, VA, 22314, to insert hereon any identification necessary or desirable for recordation of this document, including the filing date and application number of said application when known;

AND we hereby agree for ourselves and our heirs, executors and administrators to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced application or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions, post-grant review, inter partes review or derivation proceedings, supplemental examination or interference proceedings, or other applications for patents of any region or country, that may be necessary to secure to ASSIGNEE its interest and title in and to said improvements or any parts thereof, and in and to said several patents or any of them;

AND we hereby covenant for ourselves and our legal representatives, and agree with said ASSIGNEE, its successors and assigns, that we have granted no right or license to make, use, sell or offer to sell said improvements, to anyone except said ASSIGNEE, that prior to the execution of this deed, our right, title and interest in said improvements had not been otherwise encumbered, and that we have not and will not execute any instrument in conflict therewith;

AND we do hereby authorize and request the Director of the United States Patent and Trademark Office to issue any and all letters patent which may be granted upon said United States applications, or upon said improvements or any parts thereof when granted, to said ASSIGNEE.
