ASSIGNMENT

I, Robert William Stanley of Stratham NH, in consideration of One Dollar and other valuable consideration paid to me by Steamer46 LLC, a limited liability company organized under the laws of New Hampshire, the receipt of which is hereby acknowledged, do hereby sell, assign and transfer unto said LLC its successors and assigns, the entire right, title, and interest for the United States of America and all foreign countries in a design for a TOWEL DRILL DEVICE AND METHOD OF MAKING SAME described in a design patent application executed by me and filed in the United States Patent Office as Application Serial No. 14/887,368 on October 20, 2015, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, or on said application, or any divisional, continuing, reissue or other applications based in whole or in part thereon, including domestic and foreign priority rights arising from the foregoing application. I also agree, for me and my executors and administrators, with said LLC and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said corporation, with specifications and claims in such form as shall be approved by the counsel of said LLC and to vest and confirm in said LLC, its successors and assigns, the legal title to all such patents.

And I do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said corporation, its successors and assigns.

The undersigned hereby authorize the firm of Mesmer & Deleault, PLLC, 41 Brook Street, Manchester, NH 03104, to correct clerical errors in this Assignment or to insert any further identification or other information necessary or desirable to make this Assignment suitable for recording in a domestic or foreign Patent Office.

WITNESS my hand and seal this 9 day of OCTOBER, 2015.
