Patent Assignment Agreement

In consideration of One Dollar (\$1.00) and other good and valuable consideration, receipt of which is acknowledged, and intending to be legally bound, Andrew A. Kenedy ("Assignor"), an individual having a mailing address of 5223 Meadow Canyon Dr., Sugar Land, TX 77479, sells, assigns and conveys to Expanse Networks, Inc. ("Assignee"), an organization having a mailing address of 524 St. Lawrence Way, Furlong, PA 18925 the entire right, title and interest in and to the U.S. patent application entitled "Treatment Determination and Impact Analysis," filed 3/13/2008, Serial No. 12/048194, including all inventions and discoveries disclosed therein, provisionals, patents and patent applications to which priority is claimed, continuations, continuations-in-part, divisions, reissues, reexaminations, extensions and renewals and corresponding foreign patent rights (collectively called the "Patents"), including without limitation all rights to sue and collect damages, royalties and other payments for past, present and future infringements of the Patents.

Assignor authorizes Assignee's counsel to insert in this Assignment, after its execution, the filing date and Serial Number of the above-identified patent application.

In aid of the foregoing assignment, Assignor will provide assistance to Assignee, as requested, in:

- (a) Providing copies of files and other information (whether electronic or other) relevant to the Patents; and
- (b) Any and all prosecution, litigation and/or licensing of the Patents, including without limitation the execution and delivery of any documents; provided, however, that Assignee will pay reasonable fees for the time of Assignor expended and reimburse reasonable out-of-pocket expenses incurred by Assignor in response to requests of Assignee.

Executed by Assignor this 19th day of March, 2008.
