**Deed of Assignment of Intellectual Property
Rights Relating to
a Seat**

10

15

PARTIES

This agreement is between:

Graham John Mascull, a New Zealand citizen of 7 Allens Road, Allenton, Ashburton 7700, New Zealand ("Assignor")

5 AND

Roger Thomas Mascull and Elizabeth Jocelyn Mascull, of 11 Mason Place, Allenton, Ashburton, New Zealand, as trustees of the RT and EJ Mascull Family Trust ("Assignees").

BACKGROUND

- 10 A. The Assignor is the proprietor of an Invention entitled "A Seat" that is the subject of United States patent application number 29/446,480 ("the Patent Application").
- B. The Assignor has agreed to assign to the Assignees all of the Assignor's rights in, title to and interest in the Invention, the Patent Application, and the Intellectual Property Rights on the terms and conditions set out below.

1. DEFINITIONS

1.1 In this Deed, including the Background, the following words have the following meanings:

"Copyright" means:

- 20 (a) all copyrights, and all rights in the nature of copyright, in any original software, designs (including industrially applied designs), artistic, literary or other works, including the right to apply for registered copyright protection; and
- (b) any database rights,

comprising or relating to the Invention as may exist anywhere in the world.

25 **"Design Rights"** means all rights in and to the designs to be applied to articles of or relating to the Invention as may exist anywhere in the world, including, but not limited to:

- (a) the right to apply for and obtain protection for such designs relating to such articles and the rights conferred by such protection when granted;
- 30 (b) the right to claim priority under any international convention or agreement including the Paris Convention (as amended) from any application referred to in paragraph (a) immediately above;
- (c) any unregistered design rights; and
- (d) any semi-conductor topography or integrated circuit layout rights.

35 **"Intellectual Property Rights"** means all industrial and intellectual property rights (whether protectable by statute, at common law, or in equity) in and to the Invention as may exist anywhere in the world and whether or not registered or able to be registered, including, but not limited to, Patent Rights, Copyright, Design Rights, and Know-How.

"Invention" means any and all inventions the subject of the Patent Application as improved, modified, developed or amended at any time up to the date of signing this Deed.

40 **"Know-How"** means all data, information, knowledge, formulae, methods, processes, and techniques possessed by the Assignor and relating to the Invention, including all knowledge about methods and processes for making or using the Invention, whether or not in a recorded form.

"Patent Rights" means all rights in and to the Invention as may exist or come into existence anywhere in the world, including, but not limited to:

- 5
- (a) the right to apply for and obtain one or more patents or other similar forms of protection in respect of the Invention in any country;
 - (b) the right to claim priority under any International convention or agreement, including the Paris Convention (as amended), from any patent application referred to in paragraph (a) immediately above;
 - (c) all rights conferred by any patents in respect of the Invention, or similar forms of protection, when granted; and
 - (d) all rights conferred by any such patents, together with:
 - 10 a. any patents that may be granted pursuant to patent applications; and
 - b. any future patents and patent applications that are based on or derive priority from or have equivalent claims to the patents or patent applications in any country in the world (including divisionals, continuations, continuations-in-part, supplementary protection certificates, re-issues, re-examinations, extensions, Innovation patents, and utility models).
- 15

2. ASSIGNMENT

2.1 **Assignment:** In consideration of the sum of NZ\$1.00 paid by the Assignees to the Assignor, the receipt and sufficiency of which the Assignor hereby acknowledges, the Assignor hereby assigns to the Assignees absolutely all of the Assignor's rights, title and interest to and in the Invention, the Patent Application, and the Intellectual Property Rights.

20

2.2 **Rights of action:** The assignment effected by clause 2.1 includes the assignment and transfer of all rights of action, powers and benefits arising from the ownership of the Patent Application and the Intellectual Property Rights, including the right to sue for damages and other legal and equitable remedies in respect of all causes of action arising before, on or after the date of this Deed.

25

3. EXECUTION OF DOCUMENTS

3.1 If requested by the Assignees, the Assignor shall, at the Assignee's expense:

(a) assist the Assignees to apply for and obtain protection of the Intellectual Property Rights with the understanding and the intention that all title and interest in and to such applications and any granted protection is to vest exclusively in the Assignees; and

30

(b) execute all documents, procure the making of any declarations or oaths necessary or required by law, and do all other reasonable acts and things which may be necessary or desirable to apply for and obtain protection of the Intellectual Property Rights, to vest legal title and beneficial interest in any such protection in the Assignees, to enable maintenance and enforcement of any of the Intellectual Property Rights, and otherwise to implement and carry out its obligations under this Deed.

35

4. GENERAL

4.1 Waiver: No failure or delay by any party in exercising any right, power or privilege under this Deed will operate as a waiver of such right, power or privilege, nor will any single or partial exercise preclude any other or further exercise of any right, power or privilege under this Deed.

5 4.2 Counterparts:

(a) This Deed may be executed in any number of counterparts (including facsimile and PDF copies) all of which, when taken together, will constitute one and the same instrument.

(b) A party may enter into this Deed by executing any counterpart. The Parties acknowledge that this Deed may be executed on the basis of an exchange of facsimile or PDF copies and confirm that their respective execution of this Deed by such means will be a valid and sufficient execution.

4.3 Governing law:

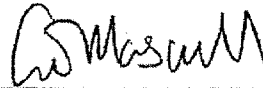

(a) The formation, validity, construction and performance of this Deed will be governed by and construed in accordance with the laws of New Zealand. The Parties irrevocably agree that the Courts of New Zealand will have non-exclusive jurisdiction to hear and determine all disputes under or in connection with this Deed.

(b) The Parties irrevocably waive any objections to New Zealand as the forum for proceedings on the grounds of forum non-conveniens or any similar grounds.
