ASSIGNMENT

Suny Chung, residing at 100 S Belleza Lane Anaheim, CA 92807, USA, and a citizen of the USA (hereafter referred to as the undersigned), is the inventor of the new design for Wheel Pros., LLC entitled:

WHEEL

The above application was filed as a non provisional application for United States Letters Patent, U.S. Patent Application No. 29/476,314, filed December 12, 2013.

The undersigned hereby authorize assignee or assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

Wheel Pros, LLC, a business entity having a place of business of 44 Union Blvd., Suite 620S, Lakewood, CO 80228, USA (hereafter referred to as the assignee), is desirous of acquiring the entire right, title and interest in the above-identified application, in said invention described therein, all applications for and all letters patent issued on said invention.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, does hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in: said inventions, in all wheel designs, in all wheel development, and other work performed for Assignee and all patent applications thereon, including, but not limited to, the applications for United States Letters Patent entitled as above, in any subsequent nonprovisional applications filed for this invention or improvements thereto, and all divisions and continuations thereof, any Registered Community Design applications, and in all letters patent, including all reissues and reexaminations thereof, throughout the world, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of said invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention throughout the world for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrant that the rights and property herein conveyed are free and clear of any encumbrance. EXECUTED under seal on the following date 1-12-14
