ASSIGNMENT

We, Bonniejean Boettcher of 9 Elm Court, Maynard, MA 01754,
Glenn Herb of 10 Newton Street, Weston, MA 02493 and Xuan Kong
of 4 Putnam Road, Acton, MA 01720, having invented improvements
in APPARATUS AND METHOD FOR STIMULATOR ON-SKIN SHORT DETECTION
and having executed an application for United States patent
describing the same and based thereon (and we hereby authorize
our attorney(s), authorized to prosecute said application, to
here insert the filing date and serial number of said
application, when known, Serial No. 14/505,056, filed
10/02/2014), for good and valuable consideration, receipt of
which is hereby acknowledged from NeuroMetrix, Inc., a Delaware
corporation having a place of business at 1000 Winter Street,
1st Floor, Waltham, MA 02451, hereinafter called the Assignee
(which term shall include its successors and assigns), do hereby
sell, assign and transfer unto the Assignee our entire right,
title, and interest, in and throughout the United States of
America (including its territories and dependencies) and all
countries foreign thereto, in and to and under said application
(which term shall include hereinafter where the context so
admits all divisional, continuing, reissue and other patent
applications based thereon) and the inventions (which term shall
include each and every such invention, or any part thereof)
therein described, and any and all patents and like rights of
exclusion (including extensions thereof) of any country which
may be granted on or for said inventions or on said application.

And for the same consideration we do also hereby sell,
assign and transfer unto the Assignee all our rights under the
International Convention for the Protection of Industrial
Property and all other treaties of like purpose in respect of
said inventions and said application and we do hereby authorize
the Assignee to apply in our names or its own name for patents
and like rights of exclusion on or for said inventions in all
countries, claiming (if the Assignee so desires) the priority of
the filing date of said application under the provisions of said
Convention or any such other treaty;

And for the same consideration we do hereby jointly and
severally agree for ourselves and for our respective heirs,
executors and administrators, promptly upon request of the
Assignee, to execute and deliver without further compensation
any power of attorney, assignment, original, divisional,
continuing, reissue or other application or applications for
patent or patents or like rights of exclusion of any country, or
other lawful documents and any further assurances that may be

deemed necessary or desirable by the Assignee fully to secure to it said right, title, and interest as aforesaid in and to said inventions, application, and said several patents and like rights of exclusion, or any of them, all, however, at the expense of the Assignee;

And we do hereby authorize and request the Commissioner of Patents of the United States of America and the corresponding Officer of each country foreign thereto to issue to the Assignee any and all patents and like rights of exclusion which may be granted in any country upon said application or on or for said inventions;

And we do hereby jointly and severally covenant for ourselves and for our respective legal representatives and agree with the Assignee that we have granted no right or license to make, use or sell said inventions to anyone except the Assignee, that prior to the execution of this deed our right, title and interest in and to said inventions has not been otherwise encumbered by us, and that we have not executed and will not execute any instrument in conflict herewith.

IN WITNESS WHEREOF, we hereunto set our hands and seals on the day and year hereinafter noted.
