ASSIGNMENT

WHEREAS, Assignor, DIRTT ENVIRONMENTAL SOLUTIONS INC., a corporation of the State of Utah, having a principal place of business at 4001 South 700 East, Suite 450, Salt Lake City, Utah 84107, is the owner of record of the PCT patent applications listed in the attached Schedule A.

WHEREAS, Assignee, DIRTT ENVIRONMENTAL SOLUTIONS, LTD., a corporation of the Country of Canada, having a principal place of business at 7303 30th Street SE, Calgary, Alberta, Canada T2C1N6, desires to secure the entire right, title and interest in the listed patent applications and issued patents.

THEREFORE, in exchange for good and valuable consideration paid to us by Assignee, the receipt and sufficiency of which we hereby acknowledge, ASSIGNOR HEREBY ASSIGNS TO ASSIGNEE:

The entire right, title and interest in the invention in the listed patent or patent application(s) listed in Schedule A, and in all corresponding national stage applications, divisions, continuations and continuations-in-part of the application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications which may be filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks and such Patent Office officials in foreign countries as are duly authorized by their

patent laws to issue patents to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use of Assignee, its successors, assigns and legal representatives.

Assignor hereby agrees, without further consideration and without expense, to sign all lawful papers and to perform all other lawful acts which Assignee may request of Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue and other United States and foreign patent applications on the invention, and all lawful documents requested by Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of Assignor's ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension or infringement proceedings involving the invention.

DATED JULY 2/2015.
