☒ filed on (YYYY/MM/DD) 2015/03/27 as United States Application Number or PCT  
International Application Number PCT/JP2015/059631.

The above-identified application was made or authorized to be made by me.

I believe I am the original inventor or an original joint inventor of a claimed invention in the  
above-identified application.

I hereby acknowledge that any willful false statement made in this declaration is punishable  
under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

WHEREAS, new and useful improvements have been made by the undersigned as  
described in the above-identified application.

WHEREAS, EBARA CORPORATION, having a place of business at 11-1, Haneda  
Asahi-cho, Ohta-ku, Tokyo 144-8510 Japan, hereinafter referred to as "assignee", is desirous  
of acquiring all right, title, and interest throughout the world in, to, and under said improve-  
ments and inventions and patent rights therefor.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and  
sufficiency of which are hereby acknowledged, all right, title, and interest, in the United  
States and throughout the world, in, to and under said improvements and inventions and all  
patents, patent applications, patent rights, and inventors' certificates thereof, therefor, and  
therein, including without limitation said application for patent in the United States, all  
divisions and continuations thereof, all patents which may be granted thereon, all reissues and  
extensions thereof, all right to sue for past infringement thereunder, all patents which may be  
granted for said improvements and inventions by states or nations other than the United

States, or by other authority, entity, or organization, all applications therefor, and all rights of priority resulting from the filing of said applications, have been and are hereby sold, assigned, transferred, and delivered unto assignee, its successors and assigns by the undersigned; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the entire right, title and interest in, to, and under the same.
