ASSIGNMENT

This agreement is made and entered as of the 30th day of October, 2015, for value received, by and between **Meritor, Inc.** ("**Meritor**"), a corporation of the State of Indiana formerly known as **ArvinMeritor, Inc.** that by virtue of a Certificate of Amendment effective as of March 29, 2011 became **Meritor, Inc.**, and **ArvinMeritor Technology, LLC** ("**ArvinMeritor Technology**"), a limited liability company of the State of Delaware.

WHEREAS, **Meritor** may own all right, title, and interest in and to patents identified in Schedule A (hereinafter "**Patents**"), and the inventions disclosed or claimed therein;

WHEREAS, **ArvinMeritor Technology** desires to acquire, if it does not already own same, and **Meritor** is willing to assign to **ArvinMeritor Technology** all of **Meritor's** right, title, and interest in and to the **Patents**, if it has any, as well as any inventions disclosed or claimed therein;

NOW, THEREFORE, for good and valuable consideration the sufficiency of which is hereby acknowledged, **Meritor** hereby transfers, grants, conveys, assigns, and relinquishes exclusively to **ArvinMeritor Technology**, all of **Meritor's** right, title, and interest in and to the **Patents**, the inventions disclosed or claimed therein and any continuations, continuations-in-part, divisionals, reissues, reexaminations, renewals, extensions, and substitutes thereof that may be granted in the United States for said inventions, and all rights to claim priority on the basis of the **Patents**, together with all accrued causes of action for damages for infringement, including the right to recover all damages, including but not limited to, a reasonable royalty, by reason of past, present, or future infringement or any other violation of patent or patent application rights; to have and to hold for the sole and exclusive use and benefit of **ArvinMeritor Technology**, its successors and assigns, to the full end of the term or terms for all such patents.

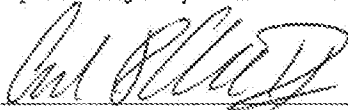

In furtherance of this agreement, **Meritor** hereby acknowledges that **ArvinMeritor Technology** has all right, title, and standing to receive all rights and benefits to the **Patents**, institute and prosecute all suits and proceedings, and take all actions that **ArvinMeritor Technology**, in its sole discretion, may deem necessary or proper to collect, assert, or enforce any claim, right, or title of any kind under any and all of the **Patents**, whether arising before or after the date of this agreement, defend and compromise any and all such actions, suits, or proceedings relating to such transferred and assigned rights, title, interest, and benefits, and do all other such acts and things in relation thereto as **ArvinMeritor Technology**, in its sole discretion, deems advisable. **Meritor** hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to issue all Letters Patents to **ArvinMeritor Technology**, its successors and assigns, in accordance with the terms of this agreement.

Meritor shall execute and deliver to **ArvinMeritor Technology**, from time to time after the date of this agreement, if not before, and upon request of **ArvinMeritor Technology**, such further conveyance instruments as may be necessary or desirable to evidence more fully the transfer of ownership of all the **Patents** to **ArvinMeritor Technology**, or the original ownership of all the **Patents** on the part of **Meritor**, to the fullest extent possible. **Meritor** further agrees to provide testimony in connection with any proceeding affecting the right, title, interest, or benefit of **ArvinMeritor Technology** in and to the **Patents** and to perform any other acts deemed necessary to carry out the intent of this agreement. **ArvinMeritor Technology** shall reimburse **Meritor** for any and all costs reasonably incurred by **Meritor** in performance under this paragraph.

This agreement shall inure to the benefit of, and be binding on, the parties hereto together with their respective legal representatives, successors, and assigns.

Meritor hereby consents that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the rights of ArvinMeritor Technology as set forth herein.
