DECLARATION (37 C.F.R. 1.63) FOR UTILITY PATENT APPLICATION USING AN APPLICATION DATA SHEET (37 C.F.R. 1.76) AND ASSIGNMENT

Title of Invention: **CONFIDENTIAL INFORMATION IDENTIFYING METHOD, INFORMATION PROCESSING APPARATUS, AND PROGRAM**

As a below named inventor, I hereby declare that:

This declaration is directed to the attached application, or (if following box is checked):

United States application or PCT International application number _____ filed on _____

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the application, including the claims.

I am aware of the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR Section 1.56.

Whereas, the undersigned inventor(s) has/have made certain inventions, improvements, and discoveries (herein referred to as the "Invention") disclosed in the above-identified patent application and further identified by the IBM Docket Number provided above in the header of this document;

Whereas, International Business Machines Corporation, a corporation of New York having a place of business at Armonk, New York (herein referred to as "IBM"), desires to acquire, and each undersigned inventor desires to grant to IBM, the entire worldwide right, title, and interest in and to the Invention and in and to any and all patent applications and patents directed thereto;

Now, therefore, for good and valuable consideration, the receipt and sufficiency thereof being hereby acknowledged, each undersigned inventor ("ASSIGNOR") hereby sells or has sold, assigns or has assigned, and otherwise transfers or has transferred to IBM (the "ASSIGNEE"), its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the Invention, the above-identified United States patent application, and any and all other patent applications and patents for the Invention which may be applied for or granted therefor in the United States and in all foreign countries and jurisdictions, including all divisions, continuations, reissues, reexaminations, renewals, extensions, counterparts, substitutes, and extensions thereof, and all rights of priority resulting from the filing of such applications and granting of such patents. In addition, each undersigned inventor hereby authorizes and requests the Director of the United States Patent and Trademark Office to issue any United States Patent, and foreign patent authorities to issue any foreign patent, granted for the Invention, to IBM, its successors, legal representatives, and assigns, the entire worldwide right, title, and interest in and to the same to be held and enjoyed by IBM, its successors, legal representatives, and assigns to the full end of the terms for which any and all such patents may be granted, as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made; and each undersigned inventor agrees to execute any and all documents and instruments and perform all lawful acts reasonably related to recording this Assignment or perfecting title to the Invention and all related patents and applications, in IBM, its successors, legal representatives, and assigns, whenever requested by IBM, its successors, legal representatives, or assigns.

Each undersigned inventor acknowledges their prior and ongoing obligations to sell, assign, and transfer the rights under this Assignment to IBM and is unaware of any reason why they may not have the full and unencumbered right to sell, assign, and transfer the rights hereby sold, assigned, and transferred, and has not executed, and will not execute, any document or instrument in conflict herewith. Each undersigned inventor also hereby grants IBM, its successors, legal representatives, and assigns, the right to insert in this Assignment

IBM DOCKET NUMBER: JP920110113US1

any further identification (including, but not limited to, patent Application Number) which may be necessary or desirable for recordation of this Assignment. This Assignment is governed by the substantive laws of the State of New York, and any disputes will be resolved in a New York state court or federal court sited in New York.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with **MPEP 323.01(c)**, International Business Machines Corporation hereby declares that it has been and continues to be the owner of U.S. Patent Application 13/685,055 (herein "Application"), and requests correction of the improperly filed assignment found at Reel 029355 and Frame 0466 to reflect International Business Machines Corporation as the owner of the Application.

The Application was filed on November 26, 2012, as evidenced by the attached filing receipt. The Application Data Sheet filed with the Application, which has been attached, identified the Assignee of the Application as International Business Machines Corporation.

The assignment found at Reel 029355 and Frame 0466, which identifies Michael J. Sullivan and Mark L. Binette as the assignors and Acushnet Company as the assignee, comprises erroneous information and was improperly filed and recorded by another person against the

Application owned by International Business Machines Corporation. International Business Machines Corporation has never assigned the Application to Michael J. Sullivan, Mark L. Binette, or Acushnet Company, and has been and continues to be the owner the Application. Accordingly, International Business Machines Corporation requests that assignment information associated with the Application be corrected to reflect that International Business Machines Corporation is the assignee of the Application.

Please charge the amount of \$40.00 for the petition fee set forth in §1.21(h) to Deposit Account No. 50-0510. If for any other reason an insufficient fee has been paid, please charge any insufficiency to Deposit Account No. 50-0510. Additionally, if it is determined that an additional fee is owed, please charge the fees, if any, to Deposit Account No. 50-0510.

Respectfully submitted,
