ASSIGNMENT

WHEREAS, I/we, Joseph S. Noonan has/have invented an invention comprising and/or embodying certain improvements or discoveries or both as described in an application for Letters Patent of the United States entitled

Title: *SYSTEM AND METHOD FOR DETECTING AND CONTROLLING TRANSMISSION DEVICES*
the specification of which:

- is being executed on even date herewith and is about to be filed in the United States Patent Office;
- was filed on _October 7, 2015 as U.S. Application __14/877,841_;
- was patented under U.S. Patent No. _____ on _____.

WHEREAS, BINJ LABORATORIES, INC. (hereinafter "ASSIGNEE"), a corporation organized and existing under the laws of MA and having a usual place of business at 15 OLD DOCK STREET, SCITUATE, MA, desires to acquire an interest therein in accordance with agreements duly entered into with me/us;

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of said agreements and of other good and valuable consideration, the receipt of which is hereby acknowledged, I/we have sold, assigned and transferred and by these presents do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the entire right, title and interest in and throughout the United States of America, its territories and all foreign countries, in and to said invention as described in said application, and continuations, divisions and reissues thereof, together with the entire right, title and interest in and to said application and such Letters Patent as may issue thereon; said invention, application and Letters Patent to be held and enjoyed by said ASSIGNEE for its own use and behalf and for its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held by us had this assignment and sale not been made; I/we hereby convey to ASSIGNEE all rights arising under or pursuant to any and all international agreements, treaties or laws relating to the protection of industrial property by filing any such applications for Letters Patent. I/we hereby acknowledge that this assignment, being of the entire right, title and interest in and to said invention, carries with it the right in ASSIGNEE to apply for and obtain from competent authorities in all countries of the world any and all Letters Patent by attorneys and agents of ASSIGNEE's selection and the right to procure the grant of all such Letters Patent to ASSIGNEE for its own name as assignee of the entire right, title and interest therein;

AND, I/we hereby further agree for ourselves and our executors and administrators to execute upon request any other lawful documents and likewise to perform any other lawful acts which may be deemed necessary to secure fully the aforesaid invention to said ASSIGNEE, its successors, assigns and legal representatives, but at its or their expense and charges,

including the execution of applications for patents in foreign countries, and the execution of substitution, reissue, divisional or continuation applications and preliminary or other statements and the giving of testimony in any interference or other proceeding in which said invention or any application or patent directed thereto may be involved;

AND, I/we do hereby authorize and request the Commissioner of Patents of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said ASSIGNEE, its successors, assigns, and legal representatives;

AND, I/we do hereby attest that the above identified application was made or authorized to be made me;

AND I/we do hereby attest that I believe that I am the original inventor or an original joint inventor of a claimed invention in the above referred to application;

AND I/we hereby acknowledge that any will full false statement made in this Declaration is punishable under 18 USC 1001 by fine or imprisonment of not more than five (5) years or both.

IN TESTIMONY WHEREOF, I/we have hereunto set our hands and affixed our seals as set forth below:
