RELEASE OF SECURITY INTEREST

This General Release of Security Interest ("Release") dated this 9th day of September 2014 is entered in favor of Sorin Mușat ("Sorin") an individual having a place of residence/place of business at 59 Nicolae Grigorescu Blvd, Bloc PM2, suite 72, Bucharest, Romania and DDX: Digital Diagnostic Instruments, LLC, a Utah Limited Liability Company having its principal place of business at 835 East 1200 South, Orem, UT 84097 USA ("DDX")

Recitals

- A. Sorin and DDX have entered into a relationship for joint development and exploitation of their respective intellectual properties.
- B. In connection with such relationship DDX has agreed to discharge Sorin's obligation to the undersigned creditor/security interest holder ("Creditor") in return for a release of any security interest, license, or other claim on Sorin's intellectual property ("IP").

Agreement

Therefore, in consideration of the payment of US\$ 7799,49 or the equivalent thereof as converted to Romanian Leu ("Payment"), to be transferred by electronic bank transfer to Creditor's specified bank and account with thirty-six (36) hours of execution and delivery of this Release (by facsimile or email), Creditor agrees as follows:

1. Creditor releases and waives any right to the IP of Sorin, including patent, copyright, trademark, or trade secrets, that served as recorded or unrecorded security for any obligation of Sorin to Creditor. Such Release applies to any lien or other form of security interest as well as any other right, license or claim in the IP and includes any rights originally obtained by Sorin and transferred to or licensed to any third-party individual or company.
2. Creditor shall, upon receipt of the Payment, take any and all necessary legal action to perfect the Release of the security in accordance with local laws and practices, including without limitation, filing or recordation of the release of any security interest filed with national or local government entities or financial institutions. All costs of perfecting the Release shall be borne by Creditor.
3. Creditor agrees that the electronic funds transfer is in lieu of any other form of payment including checks that were sent but resulted in unnecessary delay or difficulty in clearance. Any check sent to Creditor shall be considered null and void. The parties agree that DDX shall have no liability with respect to the stopping of payment on such checks.
4. Creditor agrees to cooperate with Sorin and DDX in good faith to perfect the Release in a timely manner and provide any documentation required to notify third parties that the Release is in effect.
5. The terms and conditions of the Release shall be governed by and construed in accordance with the laws of Creditor's home jurisdiction.
