GLOBAL GENERAL ASSIGNMENT

WHEREAS The Procter & Gamble Company declares that it is a joint owner of certain invention(s), as set forth in a patent application (including industrial designs and utility models), whether claimed or unclaimed, entitled CARBOXYLATE DYES, filed in the name(s) of Gregory Scot MIRACLE and Eduardo (nmn) TORRES, Attorney's Docket No. 6776 and filed in the US Patent Office as Number PCT/US2013/032967, on 19 March 2013.

For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, The Procter & Gamble Company assigns to Milliken & Company, its legal representatives, successors and assigns, all right, title, and interest owned by The Procter & Gamble Company, in the United States and throughout the world, in, to and under said invention(s) and all patents, patent applications, patent rights, and inventor's certificates thereof, therefore, and therein, including without limitation said application, all divisions and continuations thereof, all patents which may be granted thereon, all reissues and extensions thereof, all patents which may be granted for said invention(s) by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefore (including the right to claim priority of the filing date of said application in the United States and/or under international conventions), as fully and completely as the same would have been held by The Procter & Gamble Company had this assignment not been made. The entire right, title and interest shall vest irrevocably in Milliken & Company. The Procter & Gamble Company further agrees upon request, without additional compensation, but at no expense to The Procter & Gamble Company, to assist Milliken & Company in obtaining signatures for any applications or any other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to Milliken & Company, its legal representatives, successors and assigns, or as Milliken & Company may direct.

The Procter & Gamble Company requests and authorizes the Commissioner of Patents and Trademarks and/or appropriately empowered officials of foreign countries to issue any and all Patent(s) and/or letters patent(s) which may be granted for said invention(s) herein assigned and as set forth in Application Number PCT/US2013/032967 to Milliken & Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said Patent(s).

This GLOBAL GENERAL ASSIGNMENT is effective as of the earlier of 1) the date of execution shown below, or 2) the filing date of the first-filed of said patent application(s).
