ASSIGNMENT

WHEREAS, **Florent Michel**, a resident of France, and **Raphael Michel** and **Daniel Shen**, residents of the State of California, hereinafter referred to as ASSIGNORS, have invented a new and unobvious invention entitled

Ear Cleaning Apparatus

such invention being described in and identified in U.S. App. No. 14/291,424, filed on May 30, 2014, now **U.S. Pat. No. 9,060,230** having an issue date of June 16, 2015, and

WHEREAS, **Eargo, Inc.**, a Delaware corporation having a place of business at 295 N. Bernardo Avenue, Suite 100, Mountain View, CA 94043, hereinafter referred to as ASSIGNEE, is desirous of acquiring the entire right, title and interest in and to said patent and said invention, in and to any and all improvements relating to said invention, and in and to all Letters Patents thereon, when granted in the United States and all foreign countries; and

WHEREAS, ASSIGNORS acknowledge that pursuant to their contractual obligations, and/or the terms of this instrument, they are under a continuing obligation to assign all right, title and interest in, to and under the invention which is embodied in U.S. App. No. 14/291,424 and any improvements thereof and all divisions, and continuations thereof, to ASSIGNEE, its successors, legal representatives and assigns in accordance with this instrument;

NOW, THEREFORE, in consideration of good and valuable consideration received by ASSIGNORS from ASSIGNEE, the receipt of which is hereby acknowledged by ASSIGNORS:

1. ASSIGNORS hereby sell, assign, transfer and convey unto ASSIGNEE, the entire right, title and interest in and to said application and patent, and said invention and improvements; including all priority rights under the International Convention associated with the filing of said application, for each country of the Union; and in and to any and all Letters Patent on said invention and improvements that may be granted by the United States or any foreign countries, including each and every Letters Patent granted on any application which is a division, substitution, continuation or continuation-in-part of any application relating to said invention or improvements, and in and to each and every reissue or extension of said Letters Patent.

2. ASSIGNORS hereby warrant, covenant and represent that they not heretofore granted any license, right or privilege in respect to the said application or said invention or improvements, or in any

ASSIGNMENT

other way encumbered the same, and that they have the full right to convey, free of all licenses and encumbrances, the entire interest hereby assigned.

3. ASSIGNORS further covenant and agree that at the request and expense of ASSIGNEE they will promptly execute all papers necessary or desirable to perfect ownership of said invention, improvements, applications or said Letters Patent in ASSIGNEE, and execute all oaths and other papers necessary or desirable for prosecuting said application, for use in interference proceedings involving said invention or improvements, for refileing said applications, for filing of said divisional, substitution, continuation or continuation-in-part applications covering said invention or improvements which are deemed necessary or desirable by ASSIGNEE, for reissuance of said Letters Patent, or for the filing of foreign countries of applications for Letters Patent conferring said invention or improvements.

4. ASSIGNORS further covenant and agree that at the expense and request of ASSIGNEE they will promptly assist ASSIGNEE in interference proceedings involving said invention or improvements, and in litigation involving said Letter Patent, and will assist in the ascertainment of facts and the production of evidence relating to said invention or improvements.

5. The terms, covenants and provisions of this assignment shall inure to the benefit of ASSIGNEE, its successors, assigns and other, legal representatives, and shall be binding upon ASSIGNORS, their heirs, legal representatives and assigns.
