Assignment of Rights: Patent 6,653,971, Issued November 25, 2003

David L. Guice, 230 Haden Road, Brownsboro, Alabama 35741 ("Assignor") is an owner of U.S. Patent 6,653,971, dated November 25, 2003, titled "AIRBORNE BIOTA MONITORING AND CONTROL SYSTEM", (the "Patent"). Applied Information Movement and Management, Inc., 978 Old West Point Road, Starkville, Mississippi 39759 ("Assignee") desires to acquire rights in and to the Patent.

Therefore, for valuable consideration, the receipt of which is acknowledged, Assignor assigns to Assignee 100% of his right, title and interest in the invention and Patent to Assignee for the entire term of the Patent and any reissues or extensions and for the entire terms of any patents, reissues or extensions that may issue from foreign applications, divisions, continuations in whole or part or substitute applications filed claiming the benefit of the Patent as well as any priority rights resulting from patent application filings. The right, title and interest conveyed in this Assignment is to be held and enjoyed by Assignee and Assignee's successors as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor further agrees to: (a) cooperate with Assignee in the protection of the patent rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent and any and all applications and registrations for the invention in any and all countries.
